

A stylized illustration of a sun with a face, rising over a dark, jagged mountain range. The sun is depicted with a yellow face and rays, set against a blue sky. The mountains are dark and silhouetted against the sky. The word "Archon" is written in a large, stylized, yellow font with a black outline, positioned in the center of the image. The year "1993" is written in a large, stylized, yellow font with a black outline, positioned in the bottom right corner.

Welcome

Welcoming day wasn't that bad . . . it wasn't like it was in *my* day. In *my* day, we had to stick our faces in buckets of cold porridge, and got warm brownies smeared into our hair. They made the guys wear dresses, and everyone had to walk through cold, mushy spaghetti and meatballs in bare feet.

Now the young'uns are lucky. They might get muddy from riding trikes on the grass, or wet from having people dump water over their heads. The niners actually have fun building pyramids of people on the west field, eating donuts, and log rolling over their friends. But don't worry, next year I'm in charge, and then we'll have a *real* Welcoming Day!

- Paul V.

School Life

Perfect Tens

Casa Loma

In October, grade ten history students were awed by Toronto's Casa Loma and Spadina House. As any grade ten can now tell you, Casa Loma means 'house on the hill', and it was built in 1911 by Sir Henry Mill Pellat. Sir Henry and his wife decorated their urban palace with extravagance. The bathroom has six taps to take better advantage of the water! There are many gardens outside, and also in the conservatory.

Spadina House was owned by James Austin, the president of Consumer Gas Company in 1874. The house is now maintained by the Ontario Heritage Foundation. It is a much more humble structure than Casa Loma, but is still beautiful. It is a good example of how the rich lived in the past.

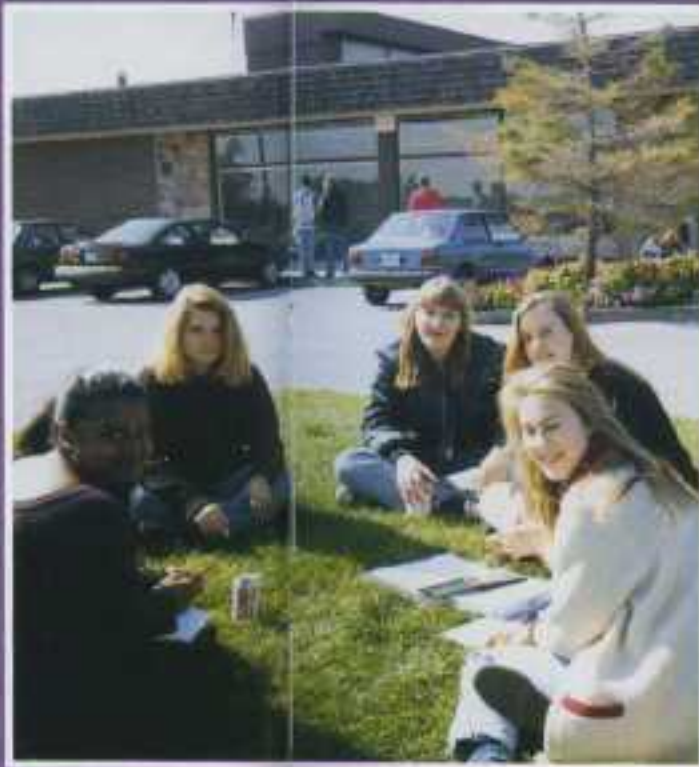

Plaza

Welcome to the Plaza Zone. Students go at lunch or spare to get away from the pressures of school and teachers. Pizza, pop-sicles and pastries are purchased at the plaza, so come one, come all. Hangin' at the plaza is such a ball. People skate, people smoke, people eat; but mostly, people just stand and social-ize.

Eleven Is Heaven

Rafting.

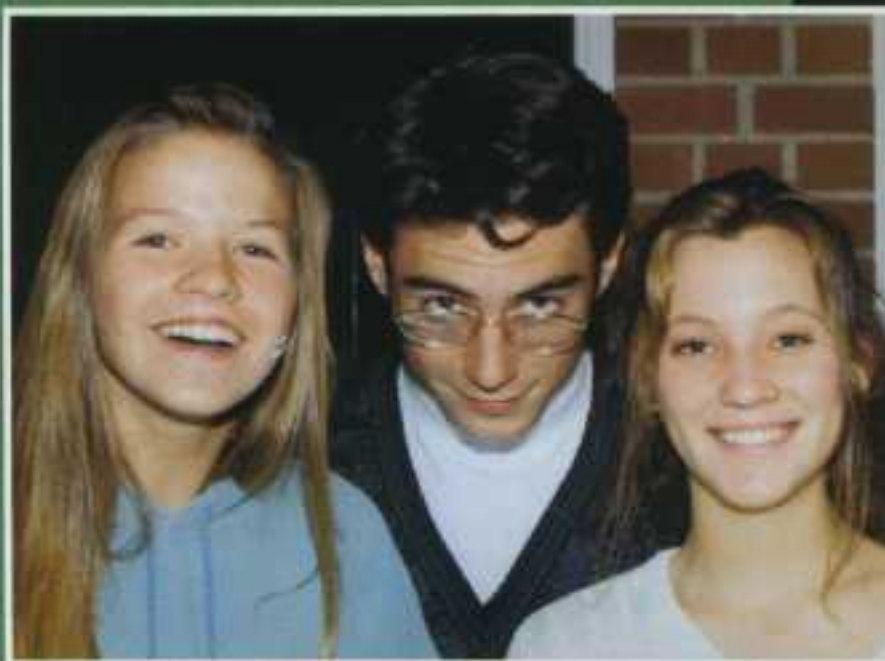

Raging Rapids

The grade eleven science classes had an opportunity to go white water rafting on the Ottawa River. The experience was one that will not soon be forgotten. Silkscreening shirts and building mini rocket ships were optional activities on the trip. We had a great time!

Real Life

Silly Seniors!

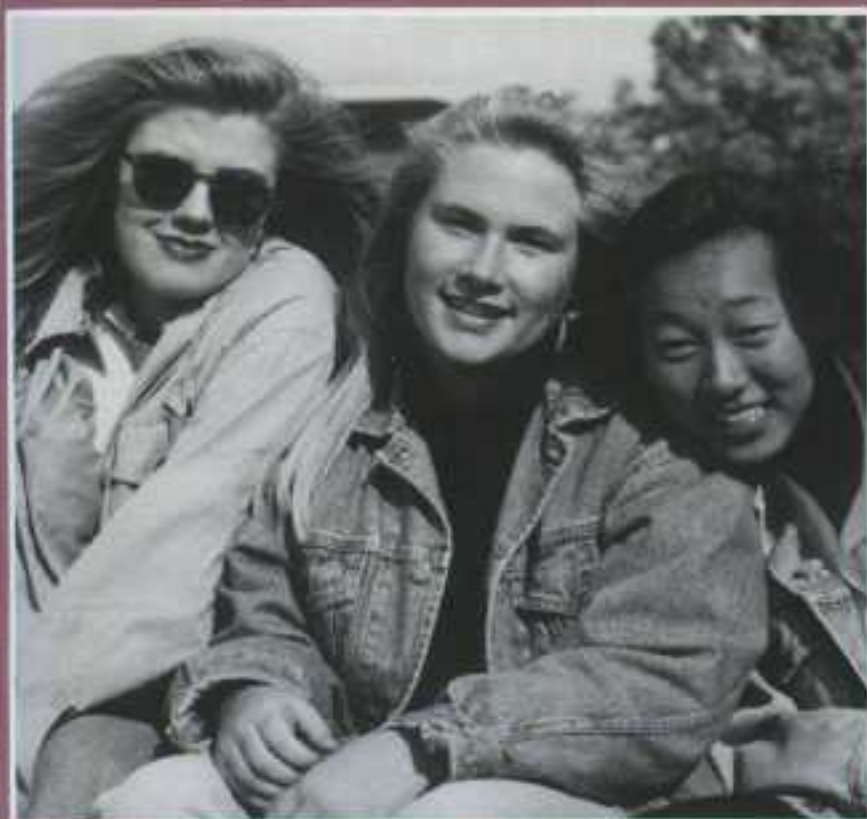

The Senior.

You know the classic senior by
the look upon his face,
And books he carries down
the halls, where he'll quickly
race He stops to speak to
Henderson, to Bockneck and
to Gould,
All the teachers who have
helped him as much as they
could.

Tomorrow the senior has van-
ished.
But his spirit still remains
In the nostalgic halls of
K.G.S.S.,
And the world that it contains.
- Melanie Hillock.

Quiet Life

When one thinks of school, one will most certainly think of the noise. Noisy halls, noisy lunchrooms, noisy classrooms and noisy generally everything else.

However, we have found that all is not noise. There are sporadic periods, quite few actually, where it is silent.

Niagara Escarpment

Each year, Mr. McAlpine's grade nine geography students get a first hand look at the eighth wonder of the world (well...almost.), the *Niagara Escarpment*.

This year, our first year students discovered the red hills of the badlands; hiked up some really rough rock; and reached the Forks of the Credit River.

Evidence of the trip covered every wall of Mr. McAlpine's classroom. Obviously, the nines had a great time and gained some good knowledge!

Stratford

The long, tiresome, (and early) bus rides were totally worthwhile. Yes, we visited the town of Stratford; home of the infamous theatre. A once a term visit to the theatre was included in the gr. 10 drama curriculum. Students reviewed plays by applying them to what was taught in the course. Seeing how props and special effects are used was interesting, and it helped us understand the process of production.

School . . .

Now I lay me down to study,
I pray the lord I won't go nutty.
If I should fail to learn this junk,
I pray to God I will not flunk.
But if I do don't pity me at all,
Just lay my bones in the study hall.
Tell my teacher I did my best,
Then pile my books upon my chest.
Now I lay me down to rest,
And pray I'll pass tomorrow's test.
If I should die before I wake,
That's one less test I'll have to take!

Come September, we will be going to university, college, work, whatever. We will leave KCSS behind, but the things that we loved and even the things that we really couldn't stand will never escape us. In our new endeavours we will continue to:

10. Play squash with Mr. Henderson.
9. Perform the Particle Dance to relieve stress.
8. Read at least one of Shakespeare's plays each year(!)
7. Know that illegal parking can cost a person exactly \$145.50.
6. Have midnight cravings for Beaver Food.
5. Live by the wrath of Sinyardism.
4. Brake to zero km/h in any car park or driveway.
3. Watch Snapshot when we get those Schomberg homesick blues.
2. Stay glued to the tube when the Blue Jays play - we know Mr. Leonard would want it that way. (ha. ha. That rhymes.)
1. KCSS graduates will continue to cherish the yearbook staff, knowing that the most valuable things they got from KCSS were five great yearbooks.

staff

As you can see, the staff at K.C.S.S. is worldly, wise, well-mannered, watered, and well-dressed. We challenge you to figure out who belongs to each description!

Our Principal

A day In the Life of Rod.

Upon interviewing Mr. Leonard, I was surprised to find that he was a real person. A young Mr. Leonard wanted to play pro football, but decided in high school that anything not requiring a tie would be fine. Later, he found an interest in education.

On being principal, Mr. Leonard says his favourite

part is making decisions that create positive change. His least favourite is removing students (the old 'this will hurt me more than it will hurt you' routine). Through good and bad, Mr. L enjoys every day as he believes that he and the staff share common goals.

Finally I asked Mr. Leonard about the earring. He pierced his ear in the summer. His

new accessory received so much attention at a family reunion that he decided to keep it. Mr. L's wife gave him the diamond that we are all so familiar with. - Courtney M.

Staff & New Teachers!

Miss Chee

Who ever would have thought I would be back in highschool?!

Mr. Ellis

I attended Eastview S.S. in Barrie where I was a 3 year member of the jr. rugby team. Educated at U of T, I enjoyed five years with the Varsity Blues as captain of defense. Outside interests include skiing and running. As for KCSS, so far, so good!

Mrs. Griffith

I believe in Santa Claus, family and youth. I love mornings, rainy days and long walks alone. I enjoy gardening and baking bread. I dislike apathy and hot summer days. I'm pleased to be a part of KCSS it reminds me of my roots.

Mr. McCutcheon

I came to King from Markham S.S. where I taught geography and english as a second language. I returned to teaching after spending several years in the transportation industry. I am pleased to be at King and I am enjoying my year.

Mr. Sartor

I graduated in Chem. Engineering from U of T many years ago (before the environment became a concern). I like sports (especially skiing and tennis), and I like to go to science parties. I am enjoying my first year at KCSS.

Miss Turner

Bonj Babe, I went to the University of Guelph. I like dobermans, archery, walking, reading, and the 'subjunctif.' I attended KCSS as a highschool student - taught here 4 years ago - and am ravie to be back.

clubs

'Yeehaw' says Lou, our student body Vice-President. Lou thinks clubs are great, and so should you. Turn the page.

Student Council

Boy oh boy, yippee... did we ever have a good time! The student council members are the people who organize special events at school (ie: dances, funky days and other neat stuff). Under the leadership of Drew MacEachern, Louis DiFlorio, Steve Pontisso (the main money man), and everyone's favourite guy Paul Vernon. *Editor's note: Ahem! Guess what yearbook/student council member wrote this! This executive had two drummers in it (Drew and Paul), so there was never any doubt that it would be a success.*

About the semi-formal, we know that not very many people liked the music. Try to think of it like this: the potatoes were really good weren't they? P.S.

The girls in the photo below seem to be having fun!

Top Row: Paul Vernon (Hey! how did he get in both pictures?), Stefanie Kriebe. **Middle Row:** Melissa Cartwright, Alida Kang, Lizzie Katsavos, Melanie Trevelyan, Jeff Toombs, Lindsay Shapiro, Rob Cameron, John Bruno, Kerri Pepulskie, Danny Borzellino, Adesh Vora, Jim Irwin, Alex Koeck. **Front Row:** Tom Jennings, Linda Van den Brink, Nicole Quadrini, Brandi McCarthy, Angie Hewlett, Gabriella Bagetta.

Executive: Left to Right: Social Convener Jim Irwin, Secretary Paul Vernon, Treasurer Steve Pontisso, President Drew MacEachern, Vice President Louis DiFlorio.

Student Athletic Council

This is your 1993 KCSS Student Athletic Council. Naturally, they are a very *athletic* bunch of *students*. The Council consists of *President* Andrew Hayhoe, a badminton star in his own right; *Vice President* Kim Jack, a soccer and field hockey queen; *Treasurer* Teresa Duck, part of our OFSSAA winning girls x-country team; *Assistant Treasurer* Brenda Thompson, who is also a runner, and *Secretary* Mark Dottori, hockey player and a true gentleman on the rugby field.

These fine athletes have made quite a reputation for themselves in the political realm of highschool. They have come to be known as a very hard working group that puts serious consideration in to each decision it makes. Of course, the guidance of Ms. Ramer, Mr. Johnston, and Mr. Serjeantson may have something to do with that...

Debating

With the assistance of Mr. Robson, the third year of debating has been a challenging and exciting one. Several topics including equal rights for women, education, censorship and destreaming have been placed on opposing tables for debate. Through the next few years the society hopes to grow and become an ever strong force in York Region!
C.B.M.

R.F.T.T.

After last years stunning Reach For The Top performance, it is difficult to imagine how any group of individuals could possibly surpass this near perfection. Prepare to be amazed as this years RFTT team is more unique than any other in this schools history. Tested in competition, we have seen that our trivia question knowledge is highly refined. The tip of the spear is sharp and we will crush all opposition bringing honour to King.

Back Row: Mr. Robson, Cathy Inyoue, James Etheridge, Craig Barton, Ken Patterson, Jay Siemens. **Front Row:** Simon Thorpe, Sean Hughes, Ian Randall.

Back Row: Vik Falthan, Craig Barton, Antonia Mitchell, Bryan Rumble. **Front Row:** Greg Iaboni, Mr. Bocknek. **Missing:** Sean Hughes, Ken Patterson, Simon Thorpe, Chris Watts.

The Roar

The Lion's Roar consists of six members and is run under the guidance of Mr. Wilson. Each month the paper is headed by a different editor in order to give everyone an equal role in its production. The Lion's Roar staff experimented with a new format this year; a folded, magazine style booklet as opposed to the stapled full pages. This new format was well received by the students.

Thanks to all members for their time and to Rich for the cover.

Back Row: Mr. Wilson, Stefanie Kreiba, Megan Somerville, Vikki Rateek. **Front Row:** Kelley Oswin, Daphne Carmelly. **Missing:** Melissa Paxton.

The Cast

Mr. Lubin and Ms. Wells hold auditions for the play each year. Soon after, parts are given out to many of the talented actors and actresses here at KCSS. As always, the stage crew is hard at work. The play selected for this year is 'Our Town'; a play in three acts by Thornton Wilder. The play represents the life of any town and any person from birth to death. The play touches on strong emotions from the past which have been lost in present day turmoil.

Performing

Wilder's play consists of the main character, a narrator, who is the Stage Manager. Congratulations to Petra Najafee in receiving the part. She has the first words in the play, and the last. Petra will remain on stage for the duration of the play. Aside from the Stage Manager there are many townspeople in the play. (top right photo). On the left are the members of the choir. As you can see, there are a wide variety of parts open for students.

Our Town

Along with Petra, the main cast includes Robin Spick as George, the main male character; Brandi McCarthy as Emily, his female counterpart; Daphne Carmelly and Mike Millar as Mr. and Mrs. Gibbs; Alison Agnew and Colin Vernon as Mr. and Mrs. Webbb, among many others. Performances are May 6 and 7. Best of luck to the cast and crew, *break a leg!*

Choir Back Row: Pamela Graham, Cheryl Baldwin, Tanya Melnyk, Sandra Little, Heather Copley, Melanie Hillock. **Front Row:** Tami Braluhin, Colleen Lowe, Kerry Millar, Cristina Torelli.

Townpeople Back Row: Rochelle Carmelly, Kristin Horner, Palmina Borzellino. **Middle Row:** Jody Westergard, Julie Shaddock. **Front Row:** Christie Kraulis.

Main Cast Back Row: Paul Vernon, Mr. Lubin, Rob Bragagnolo, Blair Allen, Ms. Wells. **Middle Row:** Colin Vernon, Mike Miller, Matt Hansen, Angie Hewlett, Alison Agnew. **Front Row:** Petra Najafee, Brandi McCarthy, Mary-Jane Millar.

Stage Crew

The members of the Stage Crew are responsible for lighting and behind the scenes work at each assembly and presentation. The crew is largely involved with the planning and production of the annual play. We know that the members must really love what they do because they can be found eating lunch together on stage most every day.

Back Row: Jason Harvey, Kelly Hubbard, Megan Somerville, Paul Eckford. **Front Row:** Colleen Hughes, Laura Eckford. **Missing:** Mr. Lubin, Tracy Baker, Brian Holmes, Stephanie Jeanneret, Steve Flutledge.

Enviro. Network

This year the Environmental Network was revived by a group of concerned staff and students. We have big plans for earth week; a guest speaker and a group visit to an environmental conference. We hope to take a more active involvement in school life this year, spreading our environmental message to everyone.

Back Row: Mr. Harris, Beth McEwen, Jamey Vella, Alex Morale, Mat Zurbrigg, Becky Dixon, Nadia Ragber, Jen MacKinnon, Tanya Ladd. **Front Row:** Courtney Middleton, Stephanie Jeanneret, Jean Weese, Elizabeth Parry, Chad Ross. **Missing:** Colin Randall, Paul Dixon, Paul Vernon.

Womyn's Awareness

Despite our requests, demands and pleas, the Womyn's (that's how they want to spell it) Awareness club did not submit a write-up to accompany their photo. Sooooo, if you want to know more about them, check out the display board near the office or talk to Kieron, Danielle or any of the people in this photo.

Back Row: Darryl Partington, Chad Ross, Colin Randall. **Middle Row:** Beth McEwen, Ryan Fowler, Jen Love, Melanie Trevelyan. **Front Row:** Danielle Molcar, Kieron Rupke, Mark Harpur, Wendy Bell. **Missing:** Courtney Middleton.

STAND

This was the first active year of the Student-Teacher Action for Non Discrimination committee. We began the year with a survey asking students about their racial backgrounds. These results were displayed at Open House in February. Skits were also performed on that night. Our aim is to create awareness and decrease discrimination of races, cultures, sexes and disabilities by education.

-Christine Neuhold

MECCA

This is MECCA's second year in operation. We prepared our members regional competition by studying cases and general marketing theory. We have gained knowledge of acceptable dress, actions and language in the business world. Competitions have helped us to become aware of our strengths and weaknesses in business. We have sold music and video coupons, athletic wear, Halloween goody bags and chocolate bars, and organized the Gladiator Games.

Angel Tree

The Angel Tree collected close to 500 gifts for local children this Christmas. Congratulations to all students who contributed in the spirit of giving. Thank you to Nicole and Alex who ought to be commended for their efforts. We hope the Angel Tree tradition will continue in their absence.

Back Row: Lydia Freeman, Isaac McQuarrie, Jenny Mills, Tamara Shmayda, Antonietta Bozzo, Christine Neuhold, Faramarz Romer. **Front Row:** Mrs. Santos. **Missing:** Mrs. Covatta, Tina Lee, Muntaz Malik, Safaraz Malik, Mr. McAlpine, Mrs. Mispel-Beyer, Matthew Nawrotenk, Margaret Nawrotenk, Neelum Sierra, Adesh Vora.

Junior Concert Band

There was a fresh new crop of musicians for the 1993 Junior Concert Band. The members performed for feeder schools and also at the York Region Music Festival which is held annually in Newmarket. Mr. Corbett taught his band well and managed to keep the group in line. That is, with the exception of young Mr. Parisi, but that's another story...

Int. Concert Band

Ode to Concert Band

Oh to be in a band like this,
is every musician's bliss.

Strike up the band looks us in the face,
(1972)

As memories from past tests we try to
erase.

Corb's stories entertain us for hours and
hours
and hours and hours and hours.

"There are many ways an irresponsible
individual can disrupt the classroom
procedure"

This is the threat that he throws
To guarantee we perform well at shows.
This band and its unity we shall not
forget.

Nor the time and effort of Mr. Corbett.

5th Row: Colin Vernon, Fraser Blair, John Lawrence, Adrianna Tsisko, Julie Brown, Scott Rumble, Ken Rosevear. **4th Row:** Darryl Hillock, Denise Bergsma, Heather Copley, Sammy Brosseau, Jen Leechman, Rod Lamore, Katie Stevens, Mike Miller, Rosalba Di Tacchio, Laura Newman, Jay Welbourn, Paul Maki, Kelly Hubbard, Austin Rieger, Melissa McNeil, Leah Shaddock, Mr. Corbett, Kathy Inyoue, Matt Parish, Vil Rathen. **3rd Row:** Sarah Parisi, Leona Baldwin, Misun Kang, Paul Eckford, Jeremy Elgar, Colleen McCormick, Lisa Gould, Karen McCormick, Pamela Graham, Cheryl Baldwin, Sandra Little, Stephanie Smith, Aida Kang, Jen Alton, Nadia Ragbar. **2nd Row:** Tammy Hill, Natalie Heidebrecht, Kara Welbourn, Stacey Rumble, Christina Torelli, Ona Heise. **Front:** Jessica Odorico, Melissa Middleton, Sarah Denney, Amy Bytze.

Everything must change...

This year, our reduced Senior Concert Band, which consisted of grade twelves and OACs, was placed at the hands of Mrs. Stetcher (A great lady who we all appreciate!). At Commencement we were a big hit!!! and we look forward to music night and to competing at the Newmarket Lion's Festival. The highlight of this year will be our excursion to *Joseph and the Amazing Technicolour Dreamcoat* ... maybe we'll get to meet our hero, Donny Osmond!

The band executive consisted of Melanie Hillock, Bryan Rumble, Stephanie Parish and Jen Laceby. We were in charge of handling the music awards, and in turn were "worshiped as gods by the remainder of the band" (Bryan Rumble). Thanks to all for a great year!
- Melanie Hillock, Band President.

This is Paul. He's the drummer.

Junior Stage Band

After a shaky start, the conducting of "family studies presenters" Neil, Stephanie and Bryan, enabled the band to survive through outstanding performances at Open House, Oak Ridges and King City Public Schools. We look forward to performances at the Newmarket Lions Festival and Music.

Back Row: Neil Puente, Stephanie Parish, Bryan Rumble. **Middle Row:** Ian Randall, Kathy Inyone, Geoff Duck, Melissa McNeil. **Front Row:** Jennifer Leechman, Katie Stevens, Jay Welbourn, Brad Duck, Laura Newman, Mark Berdan, David Parisi.

Senior Stage Band

Thursday morning, 7:00 am. You have no idea what you are doing up at this hour. You leave for school, forgetting to have breakfast. You sprint to the music room, trying to get there before the band starts playing. The wrath of Mr. Corbett will be on you if you are later than 7:30. The wrath of the rest of the band will be on you if you are later than Stephanie Parish. If you are lucky, the first song is easy and full of rests. If you are unlucky you are playing trumpet, sending what's left of your lip through the brassy tubing as you attempt to play "Tell her about it". We had a great year. The band members who are leaving pose several problems: Who will play cards at next years concerts? Who will play wood block? When are we going to leave Louie Louie alone? Those returning hope to use "I won't last a day without you" as a warm-up piece again.

Members: Julie Brown, Brad Duck, Alex Gangl, Andrew Gallagher, Natalie Heidebrecht, Kel Hubbard, Jennifer Lacey, Chandra McMillan, Stephanie Parish, Liz Parry, Neil Puente, Bryan Rumble, Mark Serapiglia, Colin Vernon, Paul Vernon, Jay Welbourn.

sports

Our cheerleaders never receive support or attention from the school. We take for granted that they will be out there, rain or shine, to encourage a win. The truth is, they put a lot of time into learning and choreographing routines. Despite cold weather, rain and even snow, our girls remain 'cheery.' Good work, team!

At the beginning of the season there was a good 70 to 80 guys showing up for practice. This large number was soon reduced to a team of 59. These players were dedicated, having a great love for their sport. Winning their first two games versus Brother Andre and Huron Heights, they were off to a good start. Unfortunately, the boys of the *Green Machine* lost their first home game to Father Bressani. They had a very strong season with a record of 3-3, but ended up losing their place in the York Region playoffs to the almighty Bressani.

Coaches Mr. Serjeantson, Mr. Cruise, Mr. Wright and Mr. Ellis would like to congratulate everyone on their determination and excellent effort. Our boys displayed patience when things weren't going well and worked hard to improve their skills. Thanks to all team members for a really good season and an extended thanks to managers Tracy Ough, Kelly Baxter, Jennifer Leechman and Tracey Baker. Special mention goes to Kevin Jack, Chris Cassano and Dave Parisi. Good Luck next year!

The Senior football team had a very successful season for what was considered to be a rebuilding year. We finished with a 4-2 record and in a tie for second place with Brother Andre. In the semi-final game against Brother Andre, we led 9-8 at halftime but lost by a final score of 22-9.

Outstanding performances were put in by graduating seniors Vincent Van den Brink and Jamie Steel. Returning players Chris Bennet, Greg McKenzie, Chris Chivers, Mark Sobers and Dan Tomas will be counted on to lead next year's team.

A special thank you to our team managers Colleen Charters and Kristina Culbert for all of their time and effort this season.

Pep Rally and Slave Day!

The Long Road to OFSAA Gold

Four years ago, in the sleepy hobbit of King City, a young coach, Mr. Steep, began his apprenticeship with Mr. Chvalevich, our school running guru. In three short years they had built a team which had come to dominate the York Region and DYSAA running scene, not to mention an OFSAA team silver medal in 1991.

In 1992, Mr. Steep and Mr. Chvalevich were gone, leaving two rookie coaches, Hunt and Cholyk, to take the team one giant step further. On a cold, muddy and tenison filled day in Brampton a boisterous crowd of school supporters gathered to witness King City history. In the end, each of the five girls had dug deep in to their hearts to be the best they could be. The reward was OFSAA gold. A truly magnificent day for Kris Duck, 9th, Hall of Famer; Dianne Woodend; Teresa Duck; Bridget King; Penny Dye plus team mates Becky Scott and Sheila Barclay. Congratulations to all for this fabulous achievement. King City is very proud.

Cheer Leading

Once again, our fearless cheerleaders kicked and cartwheeled our boys to victory... most of the time. The cheerleading squad put in many hours practicing and rehearsing cheers and routines. We were very proud to have *real* pomm-pomms this year, and it showed. The girls spirit level was high and under the guidance of Ms. Wells, they performed very well on the sidelines. Thanks to veterans Irene, Kristy, Zoe and Darcy, and congratulations to the new squad members who survived many cold days, realizing that cheerleading is definately much more difficult than it appears!

Front Row: The Seniors.

Field Hockey

Our girls toughed out another season, playing well with many experienced athletes.

Those who were new played well and seemed only to enhance the team. We gained the knowledge of Ms. Wright who co-coached along with Mrs. Bolitho and Mrs. de Ruyter. Congratulations girls on a satisfying season, see you next year!

X-Country

It was an awesome year! The Senior girls OFSAA gold was nice, but the silver by our Junior boys at DYSSA was a great surprise. The boys, led by Alex Blair-Johns, were remarkable, qualifying for OFSAA with guts and determination. Brad Duck was superb in his first year as a senior, narrowly missing OFSAA while placing third at the York Regionals. The midget girls and boys teams have a promising future, led by Kirstn Robbins and Jennifer Coleman; Geoff Duck, Andrew Foster and John Harpur. Mrs. Cholyk and Mr. Hunt would like to thank manager Cindy Hewitt and the entire team for their hard work and determination. The OFSAA gold was a bonus!

Left to Right: Christine Dornai, Lisa Giardino, Melissa Ridesic, Sam Ridesic, Kyle Kowalewski, Sammy Brosseau, Mr. Robson.

Tennis

This year was one of the most successful seasons that KCSS has had. Of the seven categories entered, three went on to gold at regional and further advanced to win medals at DYSSA. We all knew, however, who the real champ was: without Mr. Robson providing support and running hours of practice, the team's calibre would not have been the same. Congratulations to Melissa Ridesic and Mike Roman (Jr. mixed silver medalists at DYSSA), Stephanie Slipacoff (Jr. girls DYSSA champ) and Lisa Giardino and Sam Ridesic (Sr. mixed doubles DYSSA champs). We wish Sam, Lisa, Steph and Mel luck in the unofficial OFSAA this spring. PS: thanks for the pizza Mr. Robson!

Back Row: Mr. Perkins, J. Harpur, J. Nicoletti, D. Cina, J. Rutherford, M. Favaretto, K. Dockrill, S. Benvenuti, J. Burge, P. Pecchia, C. Turner, V. Ralhan, G. Duck, Mr. Bullock. Front Row: K. Wirth, R. Sacilotto, M. DeFilippis, T. Fowler, D. Hillock, A. Carbone, J. Oriente, N. de Ruyter, C. Wirth, R. Gentemann.

Boys Soccer

The boys soccer team was larger this year than it has been in quite some time. This was to the satisfaction of Mr. Bullock, who has stuck by the boys through many rough and sparse years. The season was great this year, and above all, was enjoyable and fun. We had many skilled players but still could not match the calibre of more experienced teams. We were glad, however, to have the guidance of a second coach, Mr. Perkins. On to a better, stronger season next year!

Midgets

Due to some confusion, new coaches and a late start, this year's midget team did not make it to the Regional Championships as last year's team did. We did however qualify in the York North finals and moved on to Area C. We played hard, but had a disappointing outcome. What we lacked was practice time and exhibition games. We will hopefully come back for a stronger season next year! Thanks to Mrs. Peddle and Mrs. Molloy for coaching the team this year.

Back Row: Mrs. Peddle, Jessica Winterburn, Stacey Rumble, Kelly Butler, Jenny Cassarella, Melissa Middleton, Jenny Hughes. **Front Row:** Henna Mijunen, Amy Tanaka, Maria Rizutto, Tracy Ough, Jamie Erwin.

Juniors

Our girls, under the veteran coaching of Ms. Ramer and the direction of newcomer Miss Chee, were well disciplined and well prepared for a good season. With only two games left to play this season, we have accumulated 15 wins and a mere 3 losses. We have our fingers crossed for a spot at the York Region Championships. We are playing a hard and enjoyable season. Special mention to Jessica Davis congratulations to the entire team for working well together. Next year we will put in our very best and show everyone that King is tops!

Back Row: Ms. Ramer, Sarah Mitchell, Juliana Garbig, Jessica Davis, Kelly Kinton, Julie Brown, Amy Pearson, Miss Chee. **Front Row:** Tanya Ladd, Sarah Parisi, Kristina Bishop, Kim Colbear, Kasey Bickford, Christine Alloway.

Seniors

Everything started to come together for the senior girls volleyball team this year, but unfortunately there was not enough time for us to improve enough to make it to the playoffs. We had fun, however, learning the 6-0 system and those returning look forward to next season when Mr. Wilson can drill balls at them again (not!). The most memorable moment was without doubt our trip to the Olive Garden. We were only ten but we ate like 400! Special thanks to Ms. McKenna and Mr. Wilson for their dedication and congrats to MVP Teresa Duck.

Back Row: Brenda Thompson, Robyn Guitard, Paula Ferreira, Krista Jackson, Lisa Giardino, Mr. Wilson. **Front:** Teresa Duck, Becky Scott, Karen Eriksen, Kristina Duck.

Midgets

Our midget boys were lucky enough to be coached (and kept in line) by two females this year, Mrs. Mispel-Beyer, and Miss Campbell. The boys formed a close-knit team that played well together and had a lot of fun. Special mention goes to the team's most valuable player, Eric Koski. All in all, we had a great season. The coaches hope to see everyone back, taller and stronger for practice in the fall.

Juniors

The junior boys were led by Chris Peskun (perhaps it has something to do with his height...) and were pretty much a well rounded team. The boys readjusted to having a male coach (after last year) as they were sponsored by Mr. Allen. The support of Rob Cameron, Jamie Taylor and Ed Koski was invaluable, however, all team members are to be commended for their efforts. Thanks boys, for a great season. Next year we'll be in tip top shape.

Left to Right: Eddie Koski, Bill Katsevov, Jamie Taylor, Mike Seidl, Brad Meyers, Chris Peskun, Rob Cameron, Mr. Allen.

Seniors

Led by Mr. Gingrich and the awesome forces of Lee Taylor (who doesn't happen to be in this team photo), Eilert Fraser, Kevin Meyers and Timo Hotari, our senior boys played hard. It was inevitable that we would do well, what with all of our senior experience. The team bids a sad goodbye to graduating members Kevin, Rob, Matt, and Eilert, but we know that those who are returning will keep the spirit of senior volleyball alive. Good work boys, congratulations and best of luck to everyone.

Back Row: Mr. Gingrich, Rob Taylor, Kevin Meyers, Timo Hotari, Matt Pearson. Front Row: Kevin Taylor, Jamie Mizuno, Eilert Fraser, Aresh Katirai.

Junior

Our Junior girls had an inspiring season, what with the stellar guidance of Ms. Ramer and the support of their fabulous managers, Lee Taylor and Tim Elliot. But, let's not forget Mr. Tsimicalis. Our girls played a great season with special mention to MVP Michelle Roberts as well as Jessica Davis and Claire Coulter. We'll see you for a great season next year, ladies.

Back Row: Sarah Mitchell, Lee Taylor, Angie Hewlett, Tim Elliott, Julianna Garbig, Claire Coulter, Kim Colbear, Melissa Doyle, Christine Kraulis, Jessica Davis, Cabrien De Ruyter, Mr. Tsimicalis. **Front Row:** Leanna McNeil, Michelle Roberts, Linda Van den Brink, Julie Brown, Tanya Ladd, Ms. Ramer.

Seniors

Once again, KCSS is saying goodbye to some great women basketball players. The likes of Rachelle Jermolow, Lisa Muzzin, Nicole Beben, Petra Najafee and Nadean Peskun will be missed by those who remain for another year of play. Congratulations girls, on a fine season, best of luck in your future endeavours. Thanks to Mr. Harrison for coaching and to Jen Laceby for being a great manageress.

Back Row: Jen Laceby, Robyn Gultard, Sally Aspinall, Rachelle Jermolow, Nicole Beben, Pam Rowan, Mr. Harrison. **Front Row:** Teresa Duck, Brenda Thompson, Natasha Joseph, Petra Najafee, Lisa Muzzin.

Back Row: John Hottinger, Joel Sanderson, Nick de Ruyter, Geoff Duck, Jens Mispel-Beyer, Adrian Love, Adrian Aldcroft. **Front Row:** Steve Johnson, Dave Parisi, Bill Katsavos, Dave Morgan, Matt Ground.

Midget

Coached by Mr. Johnston, the midget team had an extremely competitive season and benefitted from his coaching. Our boys displayed tremendous improvement in terms of skills and team work. The midgets came unfortunately short of making the playoffs, but are eager to try again next season. Congratulations to the team most valuable player, Nick de Ruyter.

Back Row: Mark Janhunen, Mr. Ellison, Kyle Kowalewski. **Middle Row:** Andrew Webb, Austin Rieger, Bill Katsavos, Mark Taylor. **Front Row:** Daniel Giardino, Chris Glen, Chris Peskun, Mike Nakou, Ryan McCaffrey.

Junior

Mr. Ellison's junior boys played a very strong season, with high scorer Chris Peskun and a good defence (Could it be that Mr. Ellison's experience with football is an asset to the boys defensive skills?). As the season draws to an end, our boys are advancing to the York Region play offs. Good work, boys - see you next year.

Back Row: Matt Pearson, Peter Nikolakakos, Greg Vertelman, Tim Elliot, Rob McNamara, Chris Cellucci, Mr. Gould. **Front Row:** Alex Koeck, Jeff Orchard, Jamie Mizuno, Dave Pieroway, John Bruno, Lee Taylor.

Senior

Another era draws to an end as co-captains Louis Di Florio and Alex Koeck graduate from the halls and courts of KCSS. They will fondly remember and miss road trips with Monsieur *Busdriver* Gould, and everyone will miss John Bruno's fro! And, of course, there's always young Mr. Pearson.

The Seniors played hard this season, advancing to the York Region playoffs and ending the year with a bang. Congratulations to all players, Mr. Gould, and MVP Lee Taylor for such hard work.

Golf

The golf team was small this year, but continued to prove King a force in York Region sports. We had a great season, improving skills and accuracy. Fortunately, all members will be returning next year as will our coach, Mr. McLeod. We hope the team will be even better next season. Thanks to all golfers for a spirited and fun season.

Left to Right: Jordan Paul, Chris Ough, Dave Dottori, Uri Fishman, Dean Sherman, Mr. McLeod.

Swimming

The KCSS swim team has done well in the York Region meets this year. Jen Galea and Dianne Woodend both received third place medals at the final York Region meet. Several of our relay teams qualified for the DYSSAA meet. Congratulations to all swimmers, especially most valuable swimmer Jen Galea. Thanks to the coaches, Miss Turner and Mrs. Stetcher for all of their time and encouragement.

We apologize for the quality of the swim team photo, however, the members are as follows: Lucy Bird, Meridith Blackmore, Geoff Duck, Jen Galea, Matt Hansen, Brian Holmes, Kelly Kirton, Kyle Kowalewski, Lindsay Orr, Pam Rowan, Alison Todd, Dianne Woodend, Nicole Quadrini. (Sorry if we missed you!)

Ski Team

We had plenty of snow and plenty of wintery weather this year. Our girls' team won the KCSS Invitational at Craigleith in January. Both teams did well at the York Region finals: the girls took first place while the boys gave us a third place finish for the combined effort. Sheila Barclay led the girls team, placing second in a field of sixty girls. Strong performances were also given by Catrien de Ruyter and Lindsay Keslick as well as Andrew Pinfold. All skiers were exceptional at DYSSAA, where our girls placed first of 18 schools competing. The success qualified the girls for OFSSAA in North Bay. Special thanks to Mr. Rosevear and Ms. Newall.

Girls A: Sheila Barclay, Catrien de Ruyter, Azure Janda, Lindsay Keslick, Mary Jane Millar. B: Nancy Andrews, Kelly Jackson, Jill Noble, Nikki O'Connor, Lindsay Shapiro. Boys A: Rob Cameron, Nick de Ruyter, Scott Parsons, Mark Peachey, Andrew Pinfold. B: Blair Allen, Blair Andreson, Marc de Filippis, Todd Fowler, James Rutherford.

Jr. Hockey

At present, the juniors are in first place. Mr. McClure and Mr. Perkins are hoping that the team will qualify for the York Region competition. Our boys are playing well by the motto "to compete is to win." Congratulations to all players on a great season so far. Special mention goes to Kevin Jack, and thanks to managers Tracey Baker and Steve Westergard. Best of luck to the team next year.

Back Row: Kevin Ingham, Tracey Baker, Steve Westergard, Brian Oram, Mr. Perkins. **Middle Row:** John Fala, Mrs. Mitchell, Keith Taylor, Jess Phillips, Dave Dotson, Gabby Andrew, Robert Nicol, Kevin Jack, Fayaz Esmail, Regan Holberton, Mark Hopper, Rob Tomas, Sean Slater, Mr. McClure. **Front Row:** GianMarco Fontana, Alec Winterburn, Chris Srigley, Robert Mark, Mike Dobby, Chris Ough, Peter Jermolow, John Wachtler.

Sr. Hockey

The Senior boys hockey team experienced mixed success this season. In regular league play the Invaders had a winning season record of 7-4-2. This record was subject to rules interpretation which resulted in 4 forfeited games and the loss of 8 points. Highlights include a 4-2 win over 2nd ranked Markham and a courageous near victory over the Ontario champs, St. Andrews College. Inspirational play was provided by Kevin Meyers in goal and Scott Morgan, Eilert Fraser, and Vince Van den Brink. Congratulations on a fine season. Thanks to Miyuki Iromoto, Kevin Ingham, Rebekah Alberga, Jacquelyn Bowie and Cathy Ferguson for their help.

Back Row: Mr. Buchholz, Steve Walsh, Mark Odorico, Brad Weir, Matt Mills, Vince Caranci, Dave Marcek, Kevin Taylor, Roddy Bridges, Bronson Richardson, Cathy Ferguson. **Front Row:** James Broad, Chris Ough, Grant McIntyre, Eilert Fraser, Vince Van Den Brink, Kevin Meyers. **Absent:** Mr. Serjeantson, Kevin Crockford, Uri Fishman, Mark Dotson, Booby Fantauzzi, Neto Cepeda, Cam Servello.

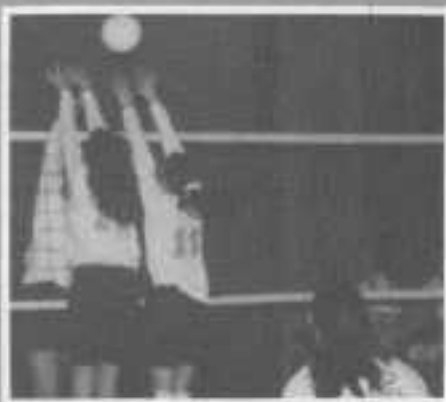

Wrestling

KCSS is one of few schools in York Region with a wrestling team. Although few in number, the wrestlers have plenty of enthusiasm and determination to excel. Team members are committed to a short but intensive season which includes practice four days a week and participation in as many tournaments as possible. The team was coached by Mark Fusina, a former York Reg. wrestler and now a student at Seneca. The team has competed in tournaments at Father Bressani, Markham DHS and Alliston as well as the York Region championships. King also hosted a wrestling clinic led by Canadian Olympic wrestler, Gary Homes. Congratulations the boys and to Mrs. Kanitz.

Back Row: Mrs. Kanitz, Breen Carson, Alex Fleming, Mike Kapetaneas, Nick Cartigaster, Chris Bennet, Bernd Gentemann, Mike Seidl. **Front Row:** Mr. Hayhoe, Alex Kapetaneas, Peter Venczel, Jordan Burge, William Payne.

**Play

Bleacher Creatures

For some of us, an ideal Sunday afternoon is one spent playing a game of baseball. For others, an ideal Sunday afternoon is one spent watching a game of baseball! These are the "bleacher creatures" who enjoy a more passive approach to sports. King City S.S. has its share of Bleacher Creatures, proven by the many students who "buy in" every year to see sports matches.

student life

Student Life? What do you think Mr. Zurbrigg is trying to say here? Could it be, 'Nah, nah, I'm living a student's life and you're nooooooot!' Okay, maybe not.

All Around KCSS

Look out world, I'm wearing my Batman mask!!

"I'm singin' in the rain..."

P.U.J. Robin, you didn't...

"Thanks for pushing the bus out, Mr. Leonard, the potholes are tricky."

Put out your hand sir... Mr. Henderson... sir?

Dear Diary, Mr. Ellis is such a dream...

I'll never wash my cheeks again!

I just hate bad hair days...

Junior Awards

On Thursday, November 5th, King City Secondary School presented its Junior Awards. The students were honoured for excellence in academics, sports and extra curricular activities. The students were those in grades nine to eleven. Special mention was given to Peter Turner, who won the Canada 125 writing competition. Congratulations, Peter for your hard work in all subjects. Thanks to Peter's brother Chris who accepted his awards, putting a lot of mileage on his shoes. Congratulations to everyone who received awards and to all classmates for their positive attitudes and support.

Commencement Exercises

On the evening of November 5th, graduates returned for Senior Commencement. Valedictorian Lisa Oriente delivered a smooth, inspiring speech, recalling many highlights from the past five years. Commencement is a great opportunity for graduates to return, find out where, what and how everyone is doing, and to see their favourite teachers one last time.

Mr. Bocknek, who represented the staff was certainly the most enlightening speaker of the night, adding a little humour to the evening. Expanding on that note, the alphabetical order and diplomas got mixed up, and many people had to exchange diplomas or seek out the person holding their own diploma. Foul ups or not, the graduates were genuinely happy to see one another and share their feelings as they embark on a new chapter.

'Tis The Season

Some Things are very Strange...

Darren Kirkness is everywhere.

We accidentally left Mrs. Newall out of the new teachers section, so here she is! "I am pleased that King is such an athletic school as I

have a degree in phys. ed. & a Masters in outdoor & environmental ed. I am interested in white water canoeing, alpine skiing + swimming. I enjoy coaching the swim team.

Mrs. Kanitz can't even see her mini van for all of the snow. How on earth will she get to school? By chauffeur driven snowmobile, of course!

Monday,

Tuesday,

Wednesday...

Bumpity Bump.

As you pull in to the school, some poor guy in a Honda loses a tire. Another girl is crying because she can't get her car out of a giant crater. No, the school is not located on the moon but the driveway does look like some kind practice ground for astronauts. One day, someone decided to fix the sidewalk. What about the driveway? everyone asked. Mr. Leonard fought tooth and nail with the Board. Next year we'll have a new drive. Yay!

How does Mr. Smith get that perfect tan line from the neck down?

Why you should become a teacher:

Left: Real toilet paper in teacher washrooms, Right: The awful paper that we use.

Left: Fifty cents for teacher Coke, Right: Eighty cents for student Coke.

Sometimes Mr. Leonard just likes to pretend that he's Marge Simpson.

Mrs. Cholyk and Mr. Hunt are responsible for the duck clan. Who knew?
