FIRST IMPRESSIONS COUNT

"The only difference between public school and high school is that in high school the toilets are higher"

Picture this: it's the first day of school. You'd love to get on a bus and go to school, except you can't find your bus stop! You know where the Catholic school bus stop is, you know where the junior school bus stop is, but where is the bus stop to King City Secondary School? Luckily, you spot a group of taller, older, and more sexually mature teenagers who seem to be waiting for a ride. (By the way, this is from a grade nine's point of view, we'll switch to the older kids later.) You walk towards the group, and as you get closer, you are amazed to find that they look even bigger up close. You realize that you really didn't know what you're getting into, and just as you're deciding that this was a bad idea and turn to go home, you see one of your friends from last year. Although you barely ever spoke to each other in public school, this predicament has somehow brought you together, you

greet each other like long lost siblings.

Let's skip to school, and now you've been at King for at least a year before this one.

Heey, the doors are green! Wow, what colorful yellow and green lockers! And wowweee, what a magnificent driveway! How very 'nineties' it all is! Ahhh! That stupid sign! It's still there! What? P-H-Y-S-I-C-S I-S E-V-E-R-Y-W-H-E-R-E ... oh great, Mr. Smith is running the sign this year. Oh good, extortion signs? I must have one for myself!

(Now we're back to the grade nines.) Standing in the washroom, frantically looking at the map of the school trying to find your next class. Unfortunately, you are already late for that class! It turns out your class is in the tech hall, but where is the tech hall...

O.K. guys look up here now! The story continues from the other page. All the grade nines have found the tech hall, and all the older kids are also settled into their various classes. The music plays and time flies by, with strategic pauses at the most interesting moments. Before you know it it's lunch! Dilemma, dilemma, should you (a) go to the caf, (b) go to the plaza, (c) sit in a stairwell or (d) sit in the halls? This could be the most important decision you'll make all year! Anyway, moving on (lunch goes by all too fast.) It's time to head back to class. Where can we find the average grade nine, back in the bathroom, looking frantically at the map of the school, trying in vain to find their next class. The class that, yep you guessed it, they are already late for! Bus time rolls around once more, and, if your lucky, like I was on my first day, the sight of 456 buses, going to every corner of the universe, will confuse you just a tad. You miss the bus! Take heart, by next week you'll know it all.

"The sight of 456 buses, going to every corner of the universe, will confuse you just a tad. You miss the bus!"

History Field Trips Are Fun

Washington and Casa Loma

Every year the history department sends students on a variety of lovely field trips, including Casa Loma (for the grade tens) and Washington (for the senior students).

The students who visit Casa Loma also get to see Spadina House. A little bird tells me that all the students do, is wear headsets and walk around to fill out question sheets.

There is something more to look forward to, though, Washington. This year the students met some cute Japanese girls, who waved and gave the victory sign, they also stuffed fries up their noses, and went to big shopping malls.

Trials of a grade 9

In these few pictures we tried to capture some grade nines doing their best to fit in (this a must).

"There is a big difference between grade 9 and grade 8. It's the difference between 15 minutes of homework and 3 hours."

No one will ever forget their first year of high school. The new friends, the new experiences, getting lost in the halls, and showing up ten minutes late for class because you took a "shortcut"! This year was different from past years, for the grade nines. Not only because of the destreaming, but also because instead of initiation or a welcoming day, we got to freeze for three days at Camp Tamarack! A few things we learned in grade nine: don't read "War and Peace" at lunch time, don't fall in the halls, don't trip going up or down the stairs, never let a grade twelve stranger show you to your next class, and most of all - remember to have fun!

Trials of an OAC

Most OAC students, like Sue Josie, shown above, don't actually go to classes, they spend all their time on spares! See - there is something to look forward to.

Many OAC students like Marc, Scott, Ray, Tim, Greg, spend their spare time in the halls, at the plaza, or as in the photo, in the caf.

The fifth and final year creeps up on OAC students, who suddenly realize the importance of a high school education. Next year they will all hope to be in universities or community colleges - away from high school - and proud of it!

But memories will linger on as old-time buddies and sweethearts meet at reunions years from now. At the moment however, the only thing on the overflowing OAC minds is University.

University seminars, cutoffs, applications, tuition, and university choices all add to the university dilemma.

No longer are the spares spent at the plaza, (Editor's note: Yeah, right.), no more skipping English classes, and the library becomes the place to hang out.

At the same time, they realize that the fifth year is their final year of high school, (in most cases), and term reports mean more now than ever before. Maybe that explains why OAC courses have the highest dropout rates.

It was Halloween and almost all of KCSS was in the Halloween spirit. Believe it or not, the grade nines were the least dressed up for the occasion. Many OAC's dressed up and attended the Halloween games in the cafeteria. Some of the games were, a frozen bubble gum contest and bite the biscuit. Some teachers, Mr. Honey, Mr. Hunt, and Mr. Mallory also got in the spirit and dressed up as beavers who ended up as road kill at the end of the day.

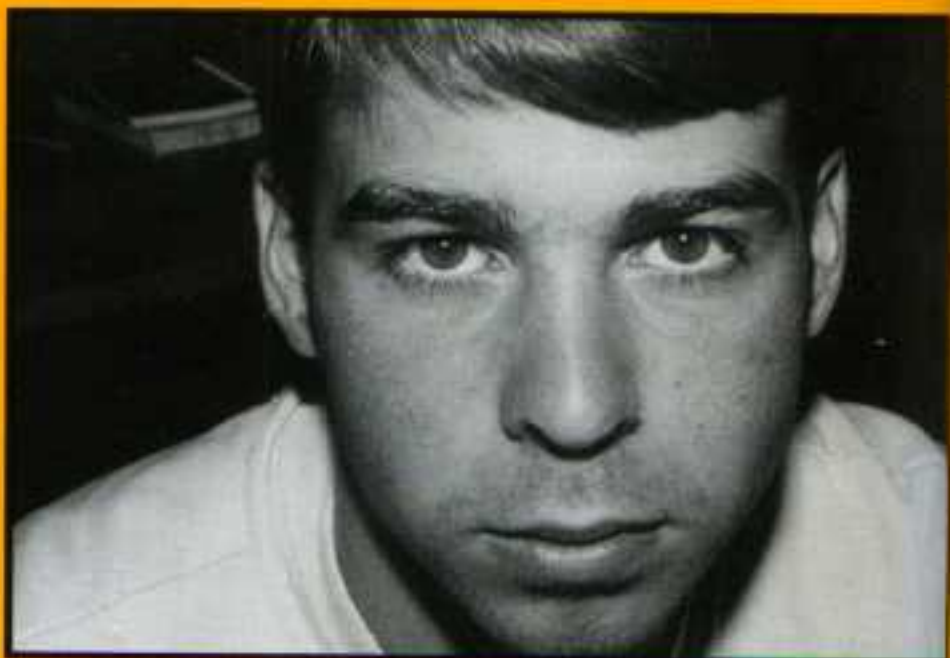

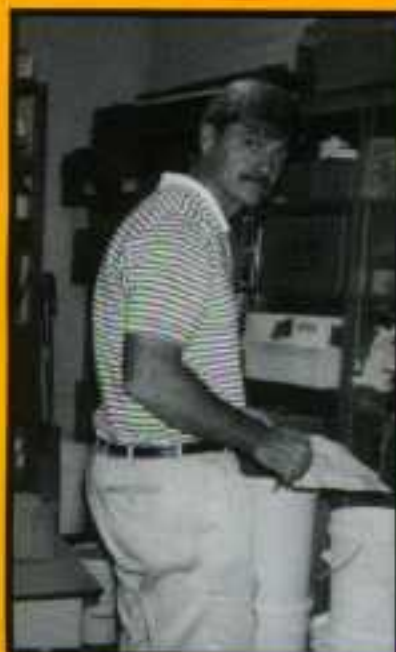

Boo

STAFF BASKETBALL TEAM: 1978-80 Back Row: Max Bagg (trainer?), Mr. Kroll (coach?), Mr. Campbell, Mr. Burt, Mr. Mue, Mr. Chvalovich. Front Row: Mr. Elmer, Mr. Seymour, Mr. Gould, Mr. Craig.

Gotcha!

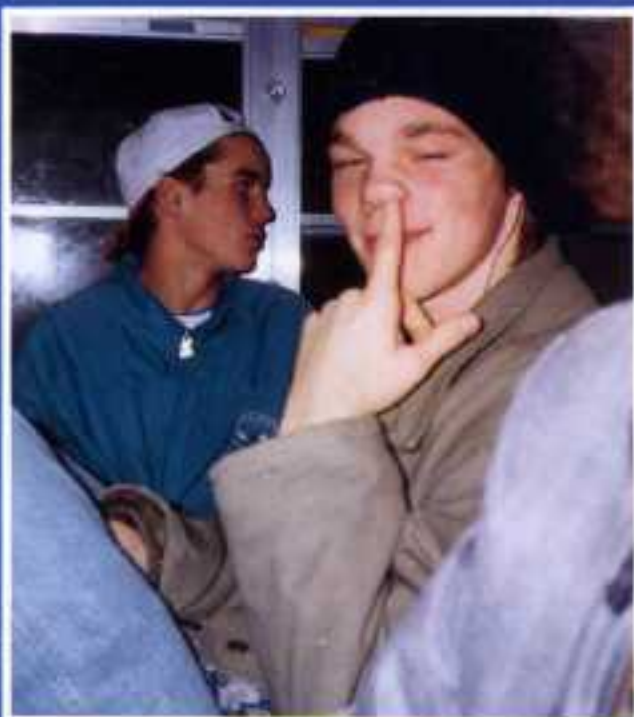

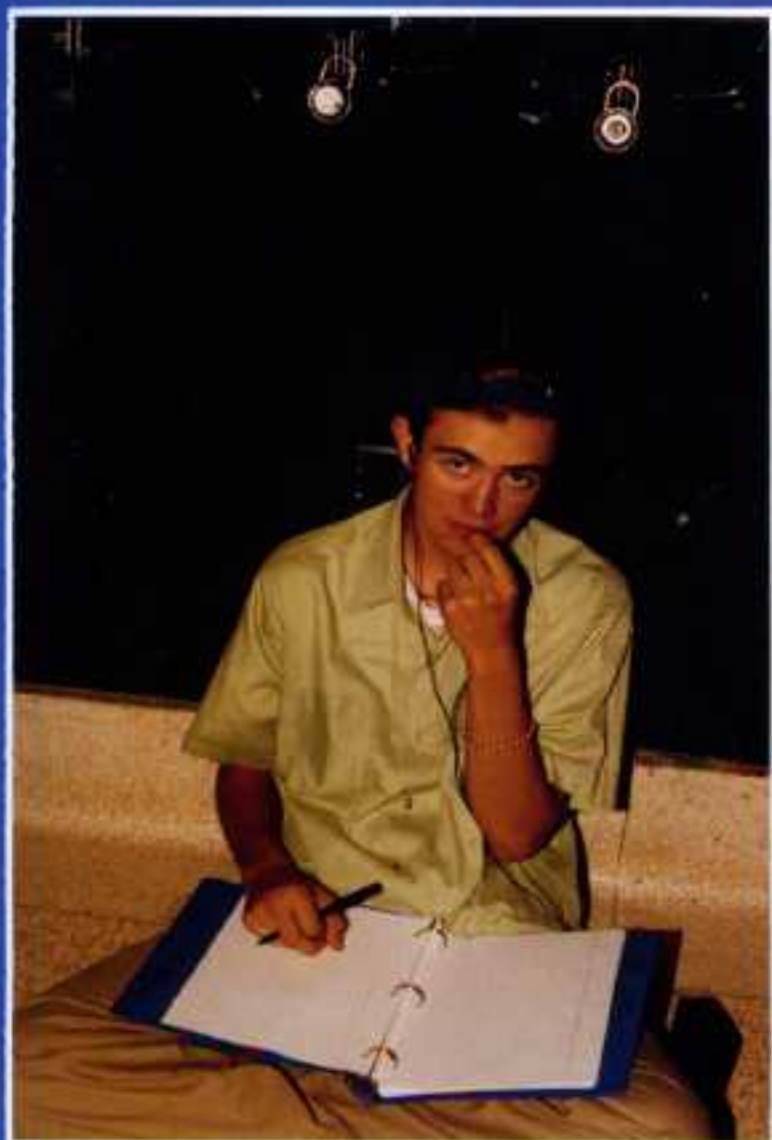

Head Gear

The most logical reasons to wear a hat: they keep your head warm, and they cover up hair that didn't get washed that morning. The people here have obviously chosen their head wear to be a fashion statement or maybe they just use them to store food when venturing into the library.

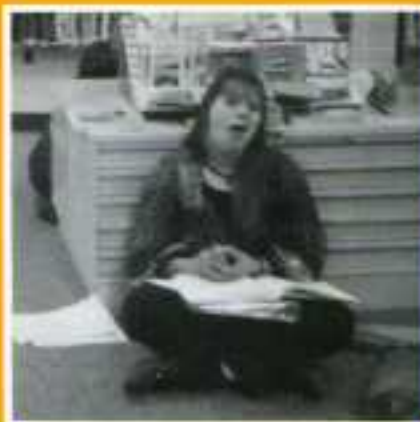

School Life

This page is a pictorial essay on school life. There are as many attitudes to school as there are students. Some spend all their time hanging out, others have time to study, or even get to class! Then there are those who's minds have been so warped by the whole shebang, that all they can do is pick their nose!

Stress + Fun = School

1. When you enter you can find young mature men playing with a hacky sac

Right Irene?

2. Well an OAC student works on her homework

3. In the cafeteria you can find a journal and a jock

6. Some students work best with music

7. Others Iwork well with friends

Come and Enter the Realm of KCSS

4. In the library you can find grade nines crawling on the floor.

5. As for classrooms, students are always working hard for their grade.

8. Well others like to just be alone!

White Water Rafting '93

It was the kind of trip that will never be forgotten. A trip that is looked forward to and after it's over the memories remain vivid forever. White Water Rafting '93 was most definitely a worth while adventure, which included numerous activities and the never ending blast of Cypress Hill (Beth finally hid the tape). Under the watchful eyes of Mr Harris, Ms Ramer, and Mr Parkin, we all remained out of trouble, along with all being well rested. Fun was had by all, well perhaps not everyone. Kelly Butler...

...who managed to break both of her arms, even before the supposedly dangerous white water rafting. Much to Miss Butler's dismay, while at the hospital she discovered her other arm was broken too! But, no one could tear her away from the camp ground so, Kelly stayed for the rest of the trip. The trip was seen by all as an enjoyable and exiting learning experience. Quelle Voyage!

Commencement and Junior Awards

Jr. Awards

On Nov. 9, students who had worked hard during the past year, were recognized at Junior Awards. The receivers of the awards were Liz Parry, with five proficiency prizes, Martin Svihra and Peter Turner with four, Tami Brathuin, Suzanne Armstrong, Kerry Millar, Sarah Parisi, Renee Gauslin, and Brian Holmes

each received 3 prizes. The winners of the YRBE were Kerri Millar and Kathy Seto, for one. Year two winners were Martin Svihra and Brian Phillips. The year three winners were Peter Turner, Rikke Dam, and Brian Holmes. The student council achievement award winners were year one Kerry Millar, year two Martin Svihra, and Peter Turner for year three. Congratulations for all

Commencement

This year, Commencement was a big success, and we would like to thank all who participated. Several special prizes were given out to grade 12 and OAC students. Among these were K. Peplinski, F. Romer, M. Hopkinson, A. Cameron and K. Jack who received YRBE

Proficiency Prizes. K. Peplinski and A. Cameron recieved Student Council achievement awards. M. Somerville received the Theatre Ont. Book and Certificate recognition. The Co-op award went to Adam Thurston. The RHCC award went to N. Beben while T. Duck and B. Duck got their senior letters. The 30 Hr Famine award went to K. Jackson, L. Calovini

and S. Aguanno. Afterwards refreshments were served and the graduates got to have their first peek at last year's wonderful yearbook. Overall a great time was had by all.

others who received recognition for Honors or other awards. For all those who didn't get recognition, better luck next year.

Just hanging around

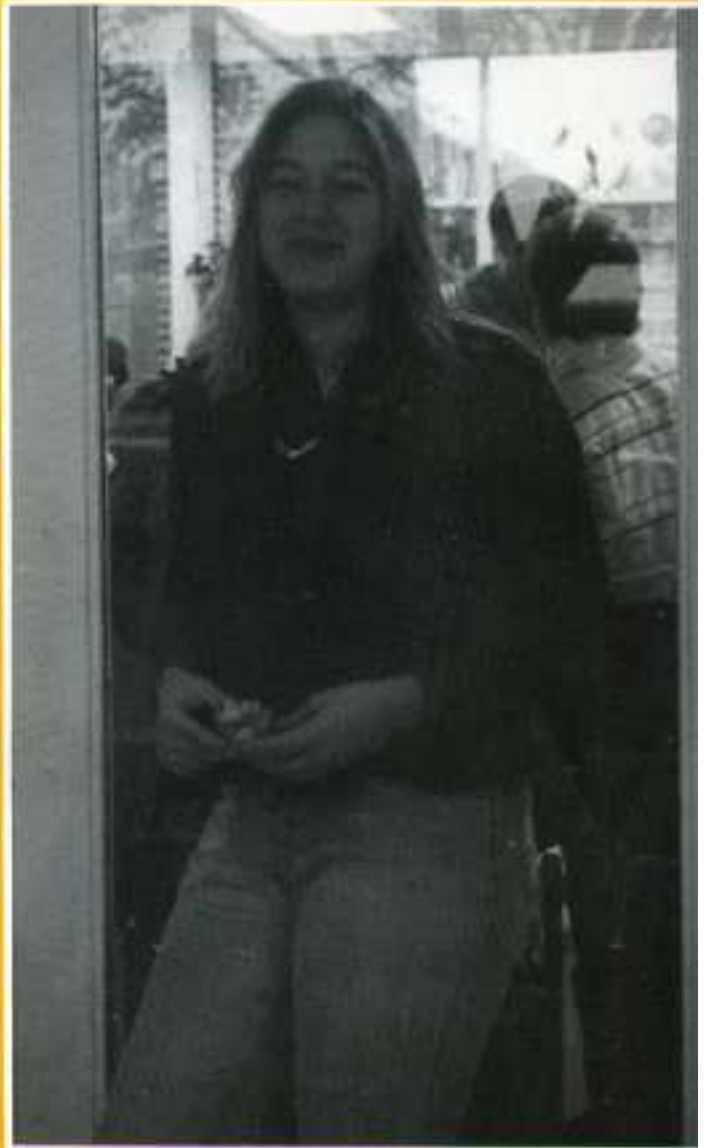

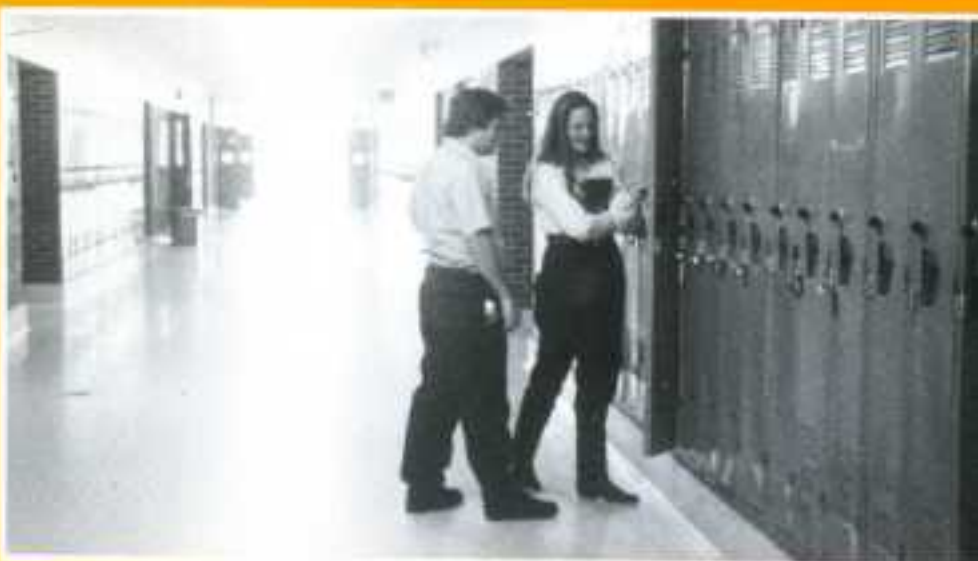

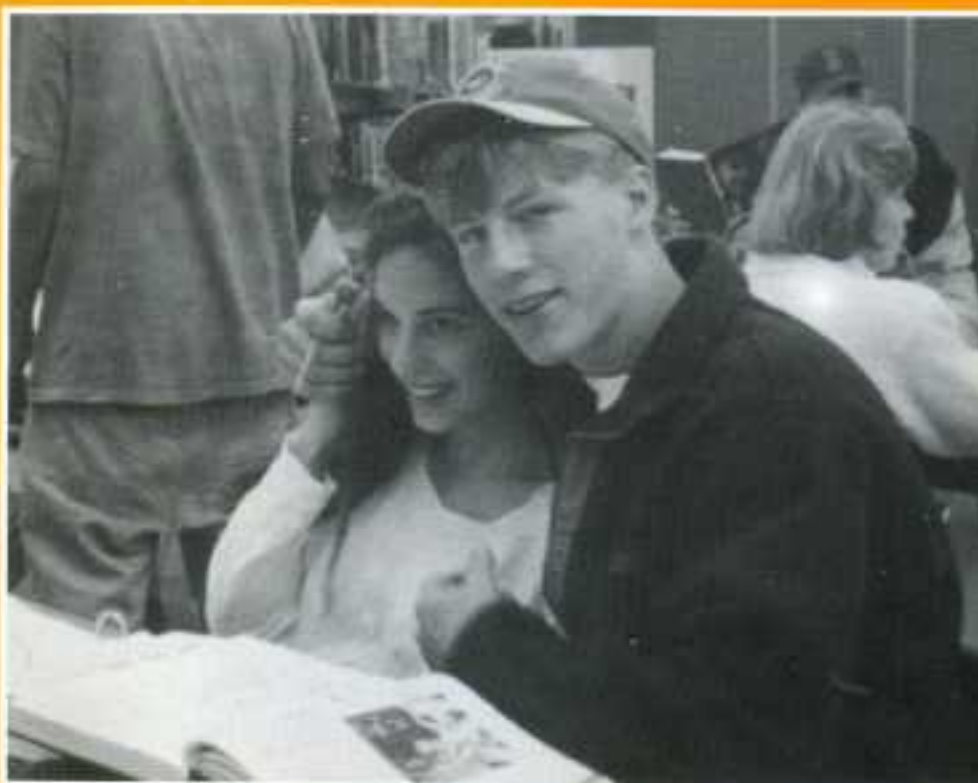

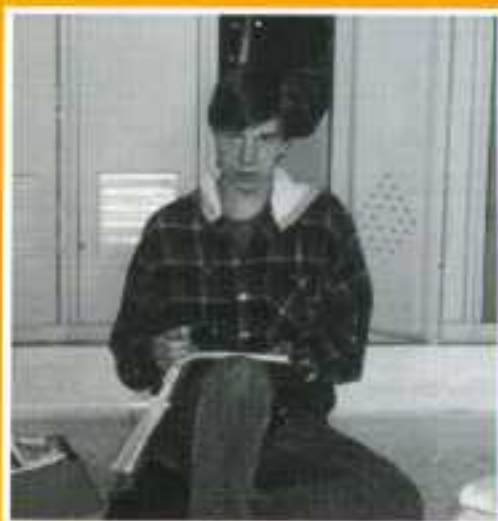

Great Classes

Variety is what keeps us from falling asleep. Luckily here at King City, people can be surrounded by a jungle in the Biology room and then walk next door and dig their hands into clay or whatever the sculpting material of the month is. Others prefer to have their head under the hood of our flashy red car. Whatever your preference we have a class for you. By the look on Bill and Chris's face I guess the computer room is fun too.

Funny face

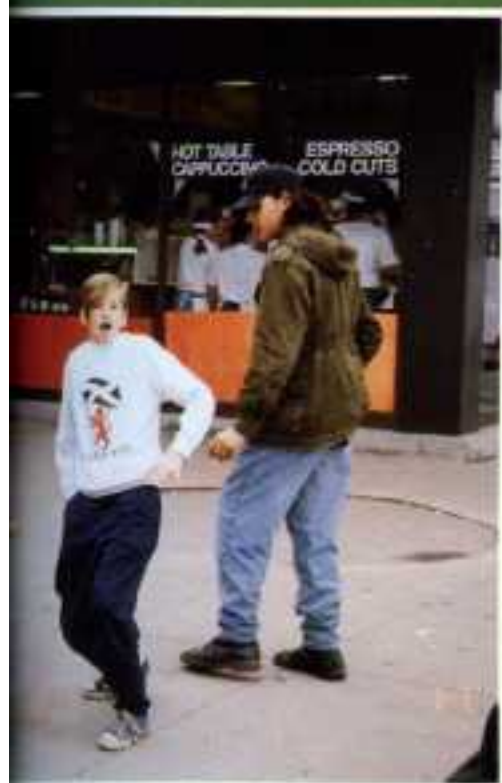

Plaza Life

Ahhh, The Plaza. This is the place where stressed students can go to escape the hallowed halls of K.C.S.S. On any given day, one can see a skate boarder landing 360 kickflips on the sidewalk, or see a ollie, ending with a crash and a trip to the hospital. You can watch a street-hockey game, or retreat into Arnold's resturant to drink coffee and listen to Hendrix amid pictures of Marilyn Monroe and Elvis Presley. For those who don't quite feel up to this unique experience, you could buy pasta in the bakery, or play Street Fighter in the Donut Shop. Then, when it's warm outside, you may see a game of hackey sack, or watch the parade of people going behind the plaza for a smoke. Whatever activity you like to do, the plaza has it all. For a grade nine student, you'll come to love the place, or hate it! For a graduating student, it holds many memorable memories.

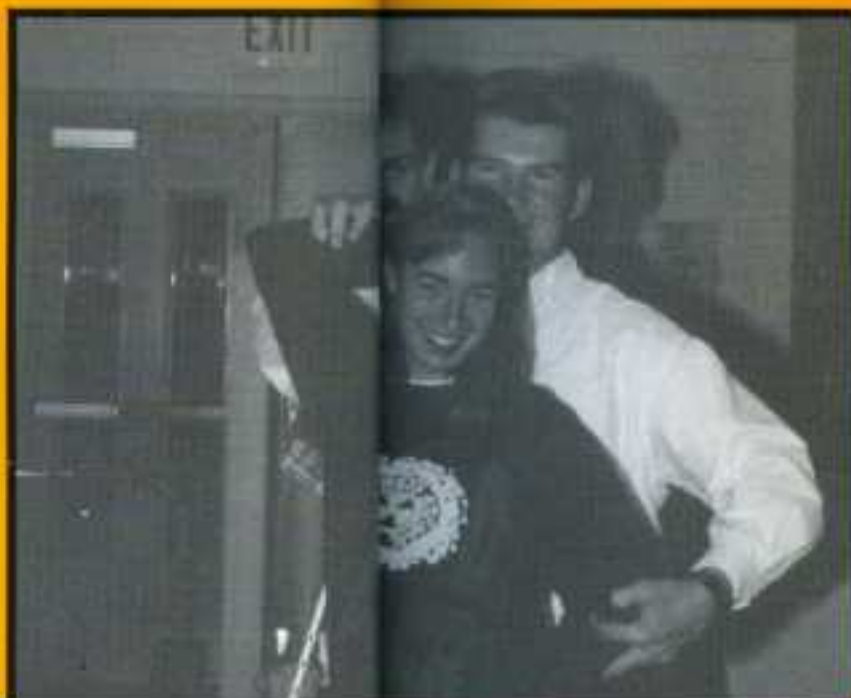

Wheel of Fortune

Not all people use lunch time for eating. The OAC's seem to prefer to use this sacred time to catch up on some last minute studying, and some grade nines use their time to finish homework for their afternoon classes. Jennie likes to daydream her time

away and the boys choose to play cards. It seems that there's more socializing and studying going on than eating, which makes sense I suppose. 10 min for eating and an hour for goofing around.

When the bell rings at 11:30, everyone rushes out of class to be the first to reach the 1/2-hour food line. Most of us end up waiting while our friends grab us a table in the caf. For those of us that don't go to the plaza, the cafeteria or hallways serve nicely as places for mooching money and then eating the food that we've earned with our profits.

KCSSS Fun

Which way is up?

The playful people on this page were captured by our roving photographer. There are many days in a school year when we are all so stressed out, that the world seems like it really is upside down. I say - enjoy it while you can!

The King Craft Show

This year our major fundraiser consisted of a craft show and sale, after the cheese sales of previous years fizzled out. Thanks to all the staff who helped organize the craft sale, and all the students and members of the community who came out.

Some of the crafts included Santa dolls, bird houses, twig reindeer, leather goods, jewellery, floral arrangements, baked goods, clocks, and wooden lamps.

Above: Mike Nakou gives a big farewell hug to Jasmine (left) and Anna (right). Left: Melissa and Anna, bonding. We're sorry Lee, we don't have your picture.

German girls

This year KCSS welcomed Jasmine Glass and Anna Rommelspacher, two exchange students, both from Germany. In March of '94 Melissa Middleton and Lee Bushey will make the trek to Germany. Both Jasmine and Anna returned home the week of Nov. 17. Anna expressed a real preference for Canada over Germany (I know 'cause she stayed at my house), and I'm pretty sure that Jasmine feels the same way. Anna and Jasmine will be missed by their new Canadian friends. Bye!

CLASSES

Grade Nines

Oh, to be in grade nine! Grade nines have come along way since p.2 (the first day of school, if you haven't read it yet.) No longer do they need a map to find their classes, by now - the end of the year, all you grade nines must feel like you own the school. O.K., maybe not own the school, but at least like you might belong here.

This, believe it or not, was a landmark year for King's grade nines. Yes I'm talking about Camp Tamarack (which I hope spelled right!) But we'll discuss that later... (turn the page)

CAMP TAMARACK

On the 29th of September, the grade nine students of K.C.S.S. departed on an adventure they would never forget...Camp Tamarack '93!

There they spent three days enjoying the great outdoors. High ropes, canoeing, co-operative games and parachuting filled our days and sub-zero temperatures filled our nights. During these days, we were told to be on the lookout for an insane murderer believed to be in the area, only to find out it

was just Steve Pontisso, one of our counsellors!

We managed to make it through the days, despite the dreary weather, interesting food and even the "lunatic" on the loose.

All in all, we had a most MEMORABLE experience but we were glad to return home to food, clean clothes and HEAT!!!

Grade Tens

The best part of being in grade ten is not being in grade nine! Grade tens come out to more clubs and teams and generally have a better time in their second year at KCSS. Grade ten is the last year for which your marks don't count as pre-requisites for university. So have lots of fun and frolic and play and conserve your mental energy for next year. The year where marks start to count!

Grade Elevens

Ah! You've finally hit gr.11. You're a senior in high school and the world is your oyster. This is the year where you are supposed to buckle down and start being serious about deciding upon a future career choice and touching upon a higher level of education after high school. By now, you have got the social aspect of high school figured out, because experimenting with your identity was what you went to gr.9 and 10 for. This year, more than ever you notice the niners seem to be getting smaller and you realize that you are finally one of the big kids.

Grade Twelves

To quote some grade twelves I overheard talking today, the magic of being in grade twelve comes from "The drugs, the rock and roll, and the sex." Oh sure, Grade twelve is great because there are still a few people left to look up to but, there are also many people to look down. You don't have as many of the pressures as the OAC's (trust me it may seem like you have tons of pressure, but you can't possibly have as much as the average OAC!) Live it up, cause it won't last.

more gr.12's▶

These are the write ups for the gr. 12's that say they are graduating. We've decided to take their word for it and we apologize if this causes any hard feelings. I find it intesing to note that there is only one male gr.12 graduate(is this because male's are dumb, or too lazy to submit a write-up!)

For well above the world's reach and full happiness, but myself. And I have no serious intention to follow in his footsteps (asked to say the functions of composing the night, not writing, music, and the creative aspects of human, Watson, Gilmour, Wright, and Mason, 2001). This is the strongest life can ever be.

Sorry if we left you out

These are a bunch of people, who for some reason got left out of their grade sections - either school records say they don't exist or they used a fake name on their photo (in which case we left them under the wrong name.) Imagine our confusion! We apologize for names that are spelled incorrectly - it's tough to read the bottom of the photos.

highlight of the year: loss of Mrs. Rowat and Robert
Westergard

Principal's Message 1993-94

As this school year draws to close my first reaction is, "Has another year almost past?" When I look back at what has gone by I realise that Sept. was a long time ago. In eight months our federal government has changed dramatically, the disintegration of much of Europe continues, the recession is slowly fading, and our education system is changing almost daily.

The past year has been one in which many significant people have not just left KCSS but in some cases deceased. Retirements have included Mr. Hill (Science) and Mr. Henderson (History) long time teachers at KCSS. We were deeply saddened in the fall at the loss of our office staff supervisor Mrs. Heather Rowat and in Feb. when Robert Westergard, a student, passed away.

In Sept. the destreaming program began and it has been a major change for staff and students. Our first King Camp was one of the results of this. I'm sure memories will continue for years by students involved. Our teams continued the traditions of success on the field of play. Outstanding student leadership was provided by your President Jason Ferri and Vice President Kerri Peplinski. A new venture the King Kraft Show looks to have a long future as a fund raiser. In the spring senior students will have the Prom on a cruise ship in Toronto harbour.

You as students should look over the past year and reflect on what it has meant to you. Hopefully most of the year has been positive and created lasting memories for you of your high school years. The future is yours to grasp and make your mark on history. I hope we the staff at KCSS have done a good job in preparing you for that big next step and look forward to many of you returning in Sept.

V.P.'s Message

It has been my pleasure to be the Vice Principal of King City Secondary School for the last three years. I have seen and experienced first hand the rewards that come from an active and involved group of students and staff.

Our school offers an incredible range of extra-curricular events complemented by field trips and other enrichment activities. Our school continues to maintain a well deserved reputation for high academic standards and achievement. It is these strong positive experiences which provide us with the strength to deal with the changes and challenges we face as education itself is closely scrutinized by government, taxpayers, parents, teachers, and students. Although it often feels to us that we are under attack, we at King can point with pride to our academic and athletic successes and to those many students who demonstrate every day the qualities of good citizenship and caring for others.

Most memorable moments:

1. Watching Tom Jothack sink a basket on the buzzer to win a close game in Orlando, Florida at Christmas.
2. Seeing our graduates and listening to the valedictory address at the November Commencement.
3. The times when students who have struggled have been able to "turn it around" and move in positive direction.

Least memorable moment:

Any time a student is suspended.

Cafeteria Ladies

The Beaver ladies in this picture are: Giovanna (who only helped out for a day or two-so nobody remembers her last name), Rose White, Ruth Searle, Ev Dickie, and Linda Varga. Missing from the photo is Maria Di Plasio. The Beaver Ladies say their lowest point was 6 weeks without Rose, it was Hell without her. Their best moment came when they got their raise.

Office Secretaries

This year marked a low point for our Main Office Secretaries with the passing of Mrs. Rowat, but they were joined by Miss Early who was new to the school this year. The secretaries in the photo are as follows (from l. to r.): Mrs. Blackert, Miss Early, Mrs. Spratt, and Mrs. Beatty. Missing from the photo are Mrs. McLean and Mrs. Parisani. The Office Secretaries gave us some examples of their favorite student excuses: "My car sucks", "I was abducted by aliens (honestly)", and "I had sleeping practice."

Caretakers

Once again the Caretakers have put up with us students. These guys deserve a special thanks from the Archon staff for not kicking us out when we stayed late on final deadline week. They are as follows (from l. to r.): Charlie Wilkinson, Ken Beatty, Bob Renton, Mark Yetman, Anne Minelli, Doug Ward, Bill Elsey, Scott Murray, George Goodchild; missing: Walter Balbossa and John Walker. The Caretakers' highlights were when George rolled the lawnmower and getting real toilet paper.

A fond farewell to...

Mr. Hill

Our earliest record of Mr. Hill, who retired at Christmas, comes from the late 60's; and as you can see by his picture, he hasn't changed a bit. He is somewhat infamous for his goofy anecdotes, like "it's like trying to find a pony in a manure pile." Students of Mr. Hill can also reflect back on the dangers of sitting near the front of his class - being hit by metre sticks while being used in explanations of chemical reactions.

Mr. Henderson

Mr. Henderson is another staff member who dates back to the late sixties. Mr. Henderson, also like Mr. Hill hasn't seemed to change much since then, as you can see by his photo. He is a teacher with the History dept. who is leaving us at the end of the year. Mr. Henderson will be remembered fondly for his illegible handwriting (most history teachers do have illegible writing) and the fact that his dittos usually contain about fifteen words per page.

Mrs. Brady, our attendance lady (top) & Mrs. Middleton, our guidance lady (bottom).

You will not know these teachers from last year because they are NEW!

Mr. Cornforth went to C.S. Henry Secondary School in North York and went to U. of T. for his B.A. in Economics and Business. He then completed his Masters in Business Admin. at York.

Mr. Cornforth's claim to fame is that he was selected as the top jazz drummer in Canada, and then played in an all-star band with guitar player Jeff Healy. Mr. Cornforth now plays drums in a band that is currently recording a CD. His musical tastes run to pop-rock, jazz, and fusion.

He also enjoys playing and coaching hockey.

After graduating from K.C.S.S. in 1988, Miss Paul attended U. of T.'s Faculty of Music for Music Education and Conducting, studying piano and voice. She attended Teacher's College at Western. She loved King so much, that she just had to come back to teach here! She enjoys sports; her favorites are volleyball, water sports, and hockey. Her dream job, other than teaching, is to be the zamboni driver at Maple Leaf Gardens.

Students: You have a lot to be proud of, being part of this school. King has personality and a taste for excellence in all aspects.

Miss Pinocchi attended Ryerson for her Bachelor of Technology in Applied Biology and Chemistry, then she went on to U. of T. for her Bachelor of Education in Intermediate Senior Science and Environmental Science.

While she was at Ryerson, Miss Pinocchi was a member of the intramural volleyball team. She also enjoys soccer, squash and racquetball, photography, reading, foreign films, hiking, canoeing, and all other outdoor activities.

Mrs. Whitfield We're really sorry (aren't we Paul!) that we forgot to ask Mrs. Whitfield for a write-up!

Mr. Waller Mr. W attended Parkdale Collegiate in Toronto. His music and Education degrees were obtained at U.W.D. & U of T respectively. He has a wife Judy, a daughter Laura, & a son Cameron. He has performed extensively w/ bands & Orchestras in T.O. & is currently director of music w/ the Markham Concert band. His taste in music range from classical to modern w/ a special affinity for Mozart, the jazz of Scott Hamilton & the Boss Brass. He enjoys Slow pitch baseball, curling, & watching Cam play hockey. He has developed a passion for Golf although his skill level at this sport is lacking.

Midgets

This year the midget team did quite well. From the first practice we were a strong team, many of us right out of the public school teams. In our first tournament at Middlefield we displayed our skills as we worked our way to the finals. Next we advanced to the York Region tournament. Again we played well, again advancing to the finals. That put us in the York Region finals where we did not do as well as we had hoped. Thanks to great coaching and hard work had a great season. We look forward to next year.

Junior

This year the Junior Boys Volleyball team had an enjoyable season coached by Mr. Allen and managed by Candice Bergermann and Kristen Thornton. Best of luck to the boys who are moving on to the senior team and see you soon to the guys who are returning next year.

Top row, 1 to 3: Christopher Peskun, Andrew Barrett, Mr. Allen; **Front row:** Bill Katana, Saleem Shama, Brad Meyers, Eric Koski, Allen Decona; **Missing:** Jamie Taylor, Candice Bergermann, Kristen Thornton.

Senior

This year the Senior team was faced with many obstacles. Beginning with no coach and no manager. Head coach, David Rosetti and managers Steve Swarbrick and Mike Seidl (all students) had to pick up the slack. Unfortunately the team experienced mediocre success and did not qualify for the York Region qualifiers. Due to Dean, Mike, Ed and Chooch's spikes, Tommy's sets, Steve's digs, Alex's net calls, Miss Johnston advice, and lastly Tsimi's jump serves (ok, didn't jump) the season was still enjoyable.

Only row, 1 to 3: Tom Inthahack, Mr. Tsimcalix, Steve Swarbrick; **Missing:** Christopher Cifac, Edward Koski, Dean Nikolic, David Rosetti, Michael Seidl

Girls Volleyball

Top row, l to r: Jenny Casarella, Colleen Gentemann, Heather Brown, Serena Cassano, Sarah Hall, Kim Model, Cheryl Smits, Kelly McDonough, Mrs. McKenna; **Middle row:** Vanessa Hall, Kylie White, Leanne Thurston, Jill DiNallo; **Front row:** Amy Tanaka, Karen Denney; **Wing:** Rinaldeep Sidhu, Erica Moody, Janice Jansen, Mrs. Pirocchi

Midgets

The mid getgirls volleyball team consisted of many dedicated players who's names are listed under the photo. Vanessa Mauti was the manager. On behalf of the team the girls would like to thank coaches: Miss Pirocchi and Mrs. McKenna. We had a great season, come out again next year. Special mention goes to Kim Model and Jenny Casarella for not being mentioned all season!

Top row, l to r: Kim Colbear, Kelly Butler, Amanda O'Reilly, Kristina Bishop, Katherine Belcher, Christine Kraulis, Sarah Parisi; **Front row:** Erin Phillips, Tracy Ough, Angie Hewlett, Mrs. Boltho

Juniors

This year was another succesful season for the Juniors. They placed in fourth overall and travelled to York North semi-finals, where they ended the season with an excellent game against a strong team from Denison. Most importantly, they had a lot of fun this year: Angie's flying digs, Tootie's face splitting spikes, and Pookie's black hole bejuju ball!

Thanks goes to the coaches Ms. Boltho and Mr. Allen, as well as manager Jamie Taylor for his inspiring presence on the bench.

Top row, l to r: Teresa Duck, Mrs. Ramer, Kris Duck; **Middle row:** Amy Pearson, Julie Brown, Kim Enkoen, Christine Alloway; **Front row:** Robyn Guitard, Darya Smolak, Jessica Davis, Kim Peplinski, Michelle Roberts

Seniors

The Seniors put in much effort, advancing to the York Region Championships. They finished 4th in their league, losing only 5 matches all season. In Feb. the girls beat 1st place Huron Heights allowing them to enter the York Region Championships. At this tournament the girls played well but finally fell to Markham in the semi-finals. The first Michelle Peplinski Memorial Tournament organized by Julie Brown was a success. Thanks Julie.

Boys Basketball

Midget

This year the Midget Boys Basketball Team was restricted to only grade nines. Since there were no returning players from last year's team we had a slow start to our season. However we continued to get better and at the end of the year we were one of "The Final Four" in the York Region semi-finals. Congratulations to the players who developed so well and good luck in hopefully successful careers as future basketball stars at KCSS.

Top row, l to r: Chris Webb, Alex Rocca, David Dinkha, Jack Hardill, Mark Forester, Norman Yeates, Steve Singh, Jordan Greenstein, Rian McNamara; **Front row:** Paul Roque, Mike Stamatopoulos, David Campoli, George Sharma, Denver Barr; **Missing:** (Managers) Mario Giglio, Lina Maggiasomo

Junior

This year's Juniors fell 2 games short of making post-season play!

Led by the outstanding scoring and rebounding talents of Nick DeRuyter the Juniors fashioned a 5 loss 6 win season. Nick was ably supported by the returning talents of Adrian Love and Mark Jermolow, while first year players Frank Luisi, Billy Pitoscia, and Lee Milstead showed great promise.

Congratulations to players for their efforts and a special thanks to Stephanie Anagnos and Stephanie Kitchen.

Top row, l to r: Mr. Ellison, Lee Milstead, Mark Jermolow, Nick DeRuyter, Steve Forester, Adrian Love, Bobby Sharma, Stephanie Kitchen, Stephanie Anagnos; **Front row:** Bill Katsanos, Geoff Duck, T.J. Senior

After years of mediocre basketball at King this year's team broke through to become one of the winningest teams in school history. The team enjoyed a 20 win season including a 12 game winning streak, as well as winning a tournament. We had an extremely talented starting lineup and a very supportive bench. King ended its season with a 4 point loss to Miliken. The team would like to thank Claire Coulter and our coach Mr. Gould who put in many hours to see the team succeed. Good luck to all.

Top row, l to r: Bill Katsanos, Karl Wirth, Chris Peskun, Peter Nikolakakos, Tim Elliot, Greg Verdemann, Claire Coulter, Ryan McCallrey, Mark Taylor, Rob McNamara, Mike Nakou, Ben Pontisso; **Front row:** Lee Taylor, Tom Inthahack, Chris Coulter.

Midget

The Midget girls proved this year that through good sportsmanship and determination good things do happen. We jumped, smashed, slammed, stuffed, passed, smacked, dribbled, block, defended, shot and fought with aggressive husselling! Until, the unfortunate happened, when we were knocked out of the playoffs by one game, which was lost by one basket! All in all the team was Awesome. Thanks to Mrs. Peddle, our coach for her time and hard vocal workout.

Top row, l to r: Kim Model, Christy Kraulis, Skye Fleming, Amanda O'Reilly, Jennifer Seidler, Leah Paris; **Front row:** Henna Mijuneri, Katie Belcher, Angie Hewlett, Erin Phillips, Kerry Wu, Clarelene Davidson, Chris Peskun; **Missing:** Chris Coulter, Bill Katsavris, Jasmine Glass, Irene Austin, Kim Colbear

Junior

Coached by Mrs. Chevaleyevich, this year's junior girls team tipped off with a bang. With an exciting season of ups and downs the girls played a spectacular season. With the help of German exchange student, Jasmine Glass, the games were filled with spills and thrills. Special thanks goes to Chris Peskun and Chris Coulter for their help. Good work girls, see you next year.

Top row, l to r: Mr. Harrison, Julie Brown, Teresa Duck, Jessica Davis; **Front row:** Claire Luthier, Sally Aspinall, Robyn Giltard; **Missing:** Natasha Joseph, Michelle Roberts, Melissa Dale, Zoe Warner, Linda Vandenbrink, Miyuki Iromoto, Leanna McNiel

Senior

Another year draws to an end as the Senior girls close their season. This year's team had a lot of fun both on and off the court. Many thanks to Mr. Harrison for successfully coaching and providing an enjoyable season. Unfortunately next year's team will miss the fabulous talents of our graduating seniors. We wish Claire, Jessica, Leanna, Teresa, Robyn, Natasha, and Miyuki all the best in the years to come, good luck and see the rest of you next year.

Basketball team goes to sunny Florida

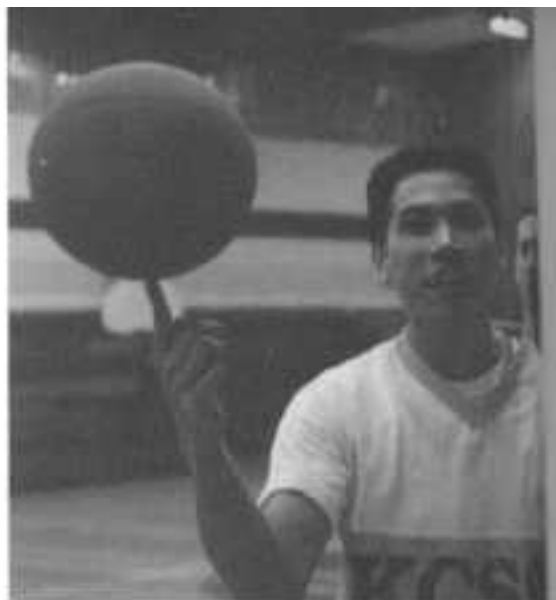

During the winter break most people go to Florida to escape the harshness of the Canadian cold. For 8 members of the Sr Boys Basketball Team and Mr. Gould this was only half a reason for going to Orlando. The Srs were given the chance to play in 22nd annual Highlander Holiday Classic Basketball Tournament.

We were the only Canadians in an American tournament so we had something to prove. We played the best ball possible, winning our first 2 games. None of us will forget the picture perfect buzzer beating three point shot by Tom Inthahack that sent us to the championship game.

In the finals we played our hearts out and kept it close all the way. We would like to thank our fans who came down to support us. It was a pleasant surprise to have Ms Dubeau, the Andersons, the Taylors, and the Jacks in the stands cheering. Unfortunately we lost to the hometown team by 4 points placing 2nd overall. Greg Vertelman and Tim Elliot were chosen for the all-tournament team. Congrats!

Of course we didn't play basketball all the time. A trip to the pool and hot tub was always in order. Peter was happy just chilling, whereas Mike waited till dark to start his adventures. Chris entertained us with his reggae songs and "nappy hair", while Tim and Lee flexed whenever possible. Greg could be found jumping balconies. Mr. Gould was calm with his new hairdo thanks to Ryan "the barber". Tom's claim to fame was his 3 point shot. One more special thanks to Nick Vertelman who was there for fan support and to help us out as assistant coach.

It was a magical trip. Not because Disneyland was just around the corner but because it was an opportunity of a lifetime. It was a time of coming together as a team and as friends. Thanks again to Mr. Gould for all that he has done for the team.

Curling

L to R Jess Phillips, Mike Baldessara, Mr. Perkins

This years boy's curling team, consisting of Jason Peelar (skip), Michael Baldessarra (Vice), Jess Phillips (Lead), Mike Roman (Second) and Louis Pascale, had an unfortunate season - out of five games two had to be forfeited. Of the other three, the team won one game and lost two.

Left to right: Mr. Mitchell, Kirk Dovey, Blair Anderson, Nick deRuyter, Dave Dottori, Paul Saadettan, Chris Ough, Mrs. Mitchell

Juniors

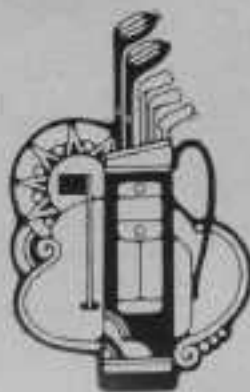

A very young Junior team captained by the talented Nick deRuyter underwent a character building experience and survived the difficult conditions to shoot some good scores.

Blair Anderson, Paul Saadettan, Joe Chang and Bobby Sharma all played to the best of their abilities.

Seniors

The K.C.S.S Senior men battled cold, windy weather at the Spring Lakes G.C. to compete in the York Region Championships.

The team of: Chris Ough, Dave Dottori, Uri Fishman, Dean Sherman and Chris Walters all shot in the 80's and posted a fourth place finish. This team will be heard from next year.

Field Hockey

Hard effort, and determination resulted in a very successful and most importantly fun season for all members of the girl's Field Hockey team. Although the team was defeated in the second round of the York Region play-offs. All team members would like to thank Mrs. Bolitho and Mrs. DeRuyter, team coaches, for all their time and patience during practice and in game situations.

Top row, l to r: Mrs. DeRuyter, Lucy Bird, Nicole Quadrini, Sam Bishop, Cathrin DeRuyter, Kiana Bishop, K. Bishop, K. Stevens.

Wrestling

Wrestling season extends from Nov. to Mar. This year the team consisted of two experienced wrestlers - Chris Bennet and Peter Venczel. The rest of the team were rookies who developed their skill and technique through the coaching of Chris Bennet. The rookies attended an

all day clinic at Thornhill SS in Nov. which whetted their appetite for wrestling. Tournaments were at North Albion, Orillia, and Father Bressani. Best results came at Bressani, with 4 medals. At York Region Championships the team placed 5th, with 2 gold, 1 bronze, & 3 6ths. At DYSSAA, Kirk won silver and Chris placed 4th.

Top row, l to r: Kirk Rauliuk, Chris Bennet, Brian Solinger, Joshua Broadway, Mrs. Kirk. **Front row:** Bobby Fagogenis, Monet Manning, Peter Venczel, Russell Norman.

Ski Team

An enthusiastic group of Alpine skiers hit the slopes this winter. It was one of our most successful seasons ever! At the York Regionals our girls team placed first, and the combined team of males and females placed second. Special congratulations go to Andrew Pinfold, Lindsay Keslick and Sheila Barclay who placed in the top ten individually at DYSSA. As well a new generation of skiers has emerged led by Lindsay Keslick who placed 3rd at this years interboard meet and Anne Vanderbeek who will hopefully lead the team to future victories. Good luck to the whole team next year, I will greatly miss you all!(Sheila Barclay)

1st Row: Jen Burgh, Kris Duck, Kara Newman

Well lets see... Nothing much has happened this year up to this point. We had many new members this year. Most of these new recruits were grade nine boys. We've had a tough time forming a solid girls team, as many archers did not return this year. We are hopefully going to be sending many archers to OFFSA as we did last year. With our 7:00am practices twice a week and with Ms Turner's coaching, we are hoping for a promising season.

Cross Country

Looking back at the '93 x-country season, I will fondly remember the words of our spiritual leader, Enrico Palacci, who sent his choristers into battle with these words: "Shooby doo, rocksteady crew ... run with flair... where?... Wherever there's a race... there!... You'll find a real quick pace... You'll find the Spider Man!"

3 points shy of the York Region championship was exceptional considering the untried talent of the midget mud muckers. Leading the way were our sr. teams, who just missed births in OFSAA. Led by twin tandem duo couple sister/brother combo Brad and Teresa Duck. Tree our only OFSAA qualifier, squeezed in an exceptional 27th place finish between a basketball game & a hair appointment.

Electric bass player Duketow, a rookie, was our big race performer, & Bridget King, who tirelessly provided a backbone to our girls team, was our outstanding female performer. Thanks to the midgets who's antics & enthusiasm made coaching impossible (but fun), & the graduating athletes for making coaching even more impossible.

Galea, S. Jeanneret, L. Little, G. Orr, N. Puente, S. Thorpe, R. Mark, I. Dailly.

This year's swim team did exceptionally well with the following swimmers qualifying for DYSSAA: Craig Barton, Brian Holmes, Niel Peunte, Robert Mark, Meghan Tuttle, Kelly Ramster, Jen Galea, and Lyndsay Gun-Munro. Jen Galea also went on to represent King City at OFSAA. The swim team would also like to thank all who participated at the Heart and Stroke Foundation Swimathon. We also wish Miss Turner all the best next year.

Indoor Track

This year the Indoor Track team went to a total of three meets, not because they were bad, but because there are only three indoor track meets: the Central Tech meet, the Hamilton Invitational, and the York Invitationals. Thanks to the coaching skills of Mr. Hunt the four-by-four relay and Peter Chlorakos' pole vault went extra well. The team wishes all its graduating members good luck in future.

Boys Outdoor Soccer

Although we will never be shown on the pages of sports illustrated (they wouldn't allow us), this year's edition of the Senior Boys Soccer team was not only undefeated in our second game, but we won another one as well. The season began with a 1-0 loss to Unionville, to find out that for our next game against the powerful Milliken Mills squad, we would be without Neil, Darryl and Mark, 3 key players. Yet in a surprising soccer blowout, we won 4-3. Its rumored that we were supposed to to know both sides of the field were supposed to be the same size! Thanks to Mr. Perkins, Mark, and Berto for coaching and Paul (Gumbi) for ripping us apart in stretches. Chalet!!

Tennis

The team this year had a very successful season. Two of K.C.S.S's tennis teams made it to the finals in the York Regional competition. Stephanie was able to win the senior girls singles at the DYSSA meet. Mr. Robson would like to say that he was extremely pleased with this team. These are some of the most talented players he's ever had the pleasure of coaching. Thank you for such a great season!

2nd Row: Mr. Robson, Nick deRuyter, Catrion deRuyter, Melissa Ridesic. 1st Row: Kyle Kowalski, Sammy Brosseau, Steve Miller. Missing: Sam Ridesic, Selman Qadri, Tracie Baldwin, T.J. Hill, Melissa Doyle, Stephanie Sipacoff.

The boy's Indoor Soccer team became the Champs of York Region. The team showed leadership and great team spirit. The team was led by a rock solid defence and a dynamic offence. The boys went 3 for 1 in the tournament and shut out Vaughn for the York Region Championship. Great year boys! Hope to see you all next year.

The K.C.S.S. Invaders hockey had an excellent season this year. Being the toughest team in the league, KCSS muscled their way to a winning season. Led by captain Scott Morgan, Bronson Richardson and of course rough and rugged Roddy Bridges, the boys won 2 tournaments but were unfortunately knocked out of the play offs by defending champion St. Andrews College two games to nothing. Coaches Mr. Bucholtz and Mr. Sarjeantson would like to say thanks to all the boys that came out this year.

In the opinion of the Junior Football coaching staff of Mr. Serjeantson, Mr. Wright and Mr. Cruise, it was felt the team had a great year of winning football. The team was tough, big and skillful. Our efforts resulted in a total of five wins and one loss during the regular season and a semi final win against Huron Heights. When it came to a final win against Markham, we gave them our best performance of the season and still came up on the end of a 33-13 loss. However, in the final analysis, it was felt that the Junior Invaders were the second best in the York Durham regions. The coaches were very proud of the team and were looking forward to more wins seasons. Outstanding players on the offense were Enzo Caruso, Jamie Wheeler, Dennis Ball, Frank Ruzzier, DeRuyter and Dave Parisi. On the defense, the outstanding players were Shaun Baker, Travis Carleton and Morgan.

Game scores:

King City	7	Huron Heights	6
Markham	35	King City	0
King City	28	G.W. Williams	7
King City	48	Brother Andre	14
King City	8	Newmarket	6
King City	28	Father Bressani	0
King City	21	Huron Heights	13
Markham	33	King City	13

Missing: Chris Bennett, Maurice Busick, Mr. Bus, Brian Hayhoe, Alan Plak, Paul J. Simpson, Elliot Warner.

This year's Golden Invaders may not have been the most talented in the history of King City, but what the team lacked in talent, they made up for it in the heart. A fine compliment of seasoned veterans, sprinkled with fresh rookies teamed for a great season. Leaders like Ray-David Glenn, Chris Bennett, Greg McKenzie, Kirk Rauliuk, Brian Hayhoe and new faces like Kevin Jack, Mark Peachey, Ric Pascale, and Mike Nakou inspired our team to an interesting season.

The league was very competitive and close and a fourth place finish of seasonal play resulted in King City meeting Markham in the first round of play-offs. After a poorly played first half, we came to life and made for an exciting game. With one minute left in regulation time we trailed by four points. We had the ball on Markham's 4 yard line and could not convert, thus ending another year of King City Football.

We can all agree that this was one of the closest teams we have ever been a part of, and all of us take pride in a well played season. Love R.D.

Cheerleaders and Rugby 7's

Junior

With Mr. Henderson's expertise in coaching the team went 2 and 2. Captain Simon Sanderson scored four tries* breaking the existing record by four tries.

*Tries is spelt this way. It's a Scottish thing.

Senior

Inspired by the bagpipes playing in the background the young Scottish descendants took to the pitch with pride only to leave in embarrassing defeat. The Senior team received a complete waxing as the other teams killed them by at least 20 points each game, making them feel less than Mrs. MacGregor's boiled haggis. The team was led by Ed Struck who scored the team's only try assisted by none other than Dave Dottori. A valiant effort was put out by the rest of the team members, thanks for coming out boys.

Student Council

The 1993/94 Student Council got off to a good start with executive members Jason Ferri, Kerri Peplinski, Steve Pontisso, and Sheila Barclay along with staff advisors Mrs. Duncan and Mr. McGinley attending a province wide conference in Burlington, Ontario. It was here that we came up with many of the ideas that have made this year so enjoyable.

Our first major event was the great cookie sale during which the students of KC managed to sell over \$5000 worth of cookies. However our real success story was the 11th annual King of Crafts Show. In just two days we had over 6000 visitors to the school, all enjoying a unique display of Canadian crafts. We hope to see this event become even more popular in the future.

Speaking of which, I don't think it's possible for the semi-formal to increase its popularity. Under the direction of the Dance Committee Chairman Ingrid Rijo and Social Convenor Kerri Anderson, a record high was set this year with almost 1/3 of the school attending the gala.

Of course King City would not be the great school it is, if not for our Spirit Days. Organized by Irene Borecky we have celebrated such themes as: Blue Jay Day, P.J. Day, Crazy Hat Day, Dress-up Day, and even Teacher Appreciation Day - what will they think of next?

Advertising for all these activities has been provided by the Advertising Committee under the direction of Kara Welbourn.

The executive would like to take this opportunity to thank all the staff and students of KCSS for their continued enthusiasm and support.

Reach for the Top

This year, Mr. Bocknek coached our team and could be credited for this year's great success, but he won't. This year, our team placed 2nd in the York Regionals, which qualified them to participate in the all-Ontario championships. Our team placed first in their round, and placed an outstanding second overall. Well done team.

For the 93/94 school year, a team of OAC students and one grade nine student worked diligently to create four editions of the Lion's Roar for the students at King to enjoy. The members of the Lion's Roar took part in writing articles, editing, and even tried their hand at drawing for visuals. They also took turns brainstorming ideas and editing. The members of the Roar, led by Mr. Wilson learned the do's and don'ts of journalism. Students at King appreciated the free newspapers, the Roar was therefore a success. Thanks to Student Council for the funding.

*Merry
Christmas*

This year's Angel Tree seemed to be folloed by bad luck. First there was low student interest level, which meant that not many Angels were picked up at first. Thanks to the announcements and classroom visits made by Lindsay Keslick, Paul Vernon, and others, our amount of Angels given away jumped to more than 500 in the last two days of the toy drive. Our second bit of bad luck occured when Mr. Sarjeantson forgot that he had six bags of toys in his office closet until after Christmas. Luckily the Salvation Army took the toys anyway.

The members of the Stage Crew often do their job unnoticed by the average student at KCSS. These guys spend all their time behind the scenes making sure that the assemblies we all enjoy so much go smoothly! Under the guidance of their beloved Mr. Lubin the Stage Crew helped at the Remembrance

Day Assembly and made the OAC Christmas assembly possible, as well as doing the behind the scenes work for other big days. You guys should be sooo grateful to these guys (I can bond with them because we at yearbook often go unnoticed too!)

S.A.C.

*Executive Council: top: Andrea Gorgonio, Nicole Quadri, Bot-
tom: Paola Oriente, Claire Coulter*

The Students Athletic Council of 93/94 was made up of an all female executive. Claire Coulter and Paola Oriente, (president and vice-president), Julie Brown (secretary), Andrea Gorgonio and Nicole Quadri (treasurers), Catrion deRuyter, Kristina Pacciati, and Kelly Jackson met once a week planning events, talking, arguing and trying to get things done. With the help of Mr. Seargentson (our staff rep) and the 12A Leadership class, the year was a success.

The pep rally was considered the best in years, a winter carnival, numerous buy-ins and many events the the spring term were all the result of SAC's efforts. The year promises to end well with the annual SAC banquet at which KCSS's new team name and logo will be formally unveiled. With its ups and downs the year was, overall a lot of fun. Definitely a learning experience!

The Play

This year's school play is a mystery farce called "One Mad Night". It's a 3 act play about a writer who inherits the family mansion. When he goes to spend some peace and quiet at the house, he discovers that it has been taken over by a mental institute. When many talented students tried out with well prepared monologues. Ms. Wells and Mr. Lubin came up with a fine cast of fourteen very talented actors(6 males,8 females). Rehearsals began at the end of Jan. Everyone is working hard to make this play both successful and memorable.

Last year, the STAND group at KCSS entered a nation wide contest for its work in promoting racial harmony. STAND (Stand Together And Never Divide) is a committee of KCSS students and teachers determined to help stop racism. From thousands of entries from all over Canada, STAND's entry was chosen to be one of the top 21 entries of the year which were published in an annual magazine sponsored by Canadian Heritage and "TG Magazine", called "Winning Ideas". KCSS was the only school from Y.R. to have reached the finals of this contest. Some of STAND's activities included a multicultural survey within the school; a bake sale of international foods; short skits addressing the problems of racism; a cultural caravan; a musical journey around the world and a Valentine's Day contest where students were encouraged to write "I love you" in different languages. STAND acts as a welcoming group for new students and Canadians. On 24/03/94 STAND is organizing the 1st KCSS fashion show Kaleidoscope '94. Part of the show will feature international costumes & exotic foods from around the world will be prepared. With continued support, STAND has got off to a good start and continues to promote peace & harmony.

The year in DECA we had an exciting year with two main competitions to date. Sean White came in first at the York Regionals but the big winners were Craig Barton & Chris Brakel, each coming in first at the provincial and get to proceed to the Nationals in Detroit this April. Good luck and make us proud.

DECA EXECUTIVE: C. Barton (Public Relations), L. Podmenic, S. Dalziel (librarian), M. Baldassara (V.P.), C. Brakel (P.R.), S. Pontisso (President)

I would like to thank the caretakers for being so supportive of me, Jen, & Ingrid this year as we stayed at school until 11:00 some nights! Two nervous breakdowns and five dead computers later all I can say is I'm glad its over. You guys don't know how lucky you are that you didn't have to do this. Anyway, I hope you like it and forgive us for misspelling your names Courtney

Well, we have off 12. It's great! We have 12 rolls of pictures. Most of them turned out! I wish 3 determined editors & very nice help. The rest of the yr was just a FRUSTRATING! We became great friends w/ all the caretakers. (thanks Scott!) During exam we as we stayed from 8:00 am to 11:00 pm (that's more than 12 hrs of solid Yearbook!) And our 'work closet' where we miraculously managed to do everything never stayed even if we often filtered out into the hall. We did have an occasional laugh as we made ourselves at home w/ 3 closet in Scott's 'cell', explored empty, left-left, left-right & some back & forth w/ Mr. Jim just out of sight give me some & new at 10:00. Thanks to the secretaries for their patience & Mr. Johnson for all his support & lunch & Ingrid-ito

Yearbook was very stressful this year. 45 days working on the book & mental breakdowns to Court & Ingrid help me to realize how glad I am that its over. My class & 4 people to realize that this is a job too big for 3 girls to do on our own. Thanks to anyone who tried help us there were many and He gave good luck to anyone who takes on the job next year. Hope you like it. Jennifer

WISC

Semi Formal '93

"It wasn't that bad! It was even somewhat fun!" Said one cynical critic of the semi formal. Di Nardo's was really elegant, with the christmas tree in the foyer, and the wonderfully nineties colours. The food was also gastro-intestinally correct (in other words, it was good), and the open bar was a nice touch. The vegetarian meals were also much appreciated and enjoyed. Yes we know this write-up is full of superlatives, what can we say none of us had a really sucky time!

What we'll remember most about the Semi Formal:

- Manet Manning reliving the 70's
- Never dance to the band Meatloaf
- Too many black, tight and short dresses
- Jason Ferri wore a suit and sat beside his Mom
- The smell of raunchy cigars
